Has the Oil Filter on your car been changed at the manufacturer's recommended mileage? And while on the subject have all the other points requiring periodical attention such as:

Wheel Bearing Repack • Change of Transmission Lubricants • Cleaning and Re-Oiling of Air Cleaner, etc. been taken care of according to the instruction book? Many of these details are overlooked even by the owner

who conscientiously has his car lubricated regularly. We remind our "Regulars" as these services become due.
