Let's go scheme. Information on the town and district, with agricultural data, business and all opportunities for immigrants will be listed for presented to all interested parties even as far away as B.C. House in London.

Any member who is likely to be travelling south during the latter part of April will be asked to be the board's delegate to the Pacific Northwest Trade Association convention to be held in Bellingham on April 25

The board will endorse by a letter to the executive council of B.C. the action of the B.C. Natural Resources Board of Conservation League in protesting the policy of the B.C. Power Commission in installing a dam as at Lower Campbell Lake and leaving the lake full of rubble and snags. The league wants the snags removed and state that the ground should be cleared before the dam is made.

Mr. Norrington reported that he had answered an out-oftown electrician's inquiry with regard to an opening for him at Terrace by saying that there is now an electrician established in business here and that, un-

der present conditions, there not the business for more than

fee to the United Council of the Associated Boards of Trade.

REDDY KILOWATT

Your Electric Servant

Rex Cate

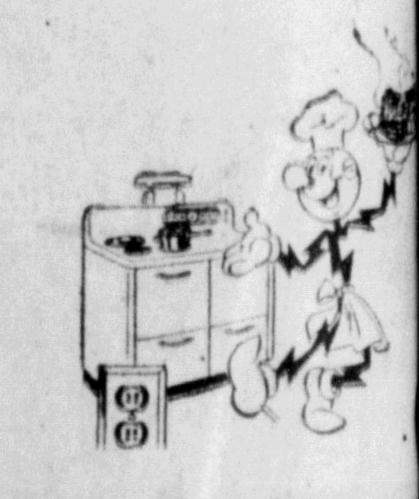

This Lady is in a dither . . . How can she sell her husband on buying her that grand new electric range she's been yearning for so long . . .

"I have it! Get your neighbour to invite you to a wonderful dinner - cooked on her brand new electric range!"

It worked! Her husband enjoyed such a meal! And having her neighbours band boastfully point ou the beauties and convenie of electric cooking, be was as eager as she was to if in a fine new electric m
