Mr. Vaughan, when he retires at the end of this year, will terminate a career entirely devoted to transportation. He will have completed 51 years of service having been successively with Canadian Pacific, the Grand Trunk Railway, the Canadian Northern Railway and the Canadian National Railways.

His first official appointment was in 1910 as assistant to the vice-president and general manager of the Canadian Northern Railway. He became vice-president in charge of purchases and stores and steamships of the Canadian National in 1920. He was appointed president of the C.N.R. in 1941 and chairman of the Board in 1942 at a time when

SLIGHT DECLINE—Canada's cost-of-living index dropped a half point during August to 162.3 as on Sept. 1, the Dominion Bureau of Statistics announced Wednesday. The decline from 162.8 was due principally to lower food prices. The top graph shows the trend of Canada's cost of living from 1936 to 1946. The bottom graph indicates the trend of living costs since then.

announcement to make concerning the office of chairman of the Board of Directors and that of President of the Canadian National Railways. R. C. Vaughan, who has been president since 1941 and chairman of the Board of the Canadian National Railways since 1942, reached the normal retiring age in December, 1948, but, at the request of the Board of Directors and with the approval of the government, consented to remain in office until such time as a successor was appointed. It is with deep regret that I announce to the House the retirement of Mr. Vaughan from the post of Chairman of the Board and President of the Canadian National Railways to take effect on January 1, 1950.

GAY COMEDY IS SHOWING

Bright comedy is provided in "Every Girl Should Be Married," story of a modern girl's campaign to win herself a husband, which is the current offering at the Capitol Theatre.

Betsy Drake, new Hollywood "find," plays the part of the heroine who is a maiden with a modern conviction that the conventional system, under which a girl is supposed to sit around meekly until some man asks her to marry him, is utterly unfair. She picks out a prominent young doctor, Cary Grant, and the resultant campaign is a continuously hilarious fun-fest with clever continuity ending up in a surprise denouement. Franchot Tone has the part of a wolfish department store magnate while Diana Lynn is the heroine's best friend who abets her in the matrimonial campaign.

It all makes fine and lively entertainment.

will, I am sure, join me in extending to Mr. Vaughan our very best wishes for many years of happiness and peace of mind. By virtue of the Canadian National Act, 1936, the Board of Directors of the Canadian National Railways have appointed Donald Gordon to replace Mr. Vaughan as president of the railway company and the Governor-in-Council has today approved their selection and has also appointed Mr. Gordon chairman of the Board of Directors, both positions effective January 1, 1950.
