Bowls Battle Honors Close

With only two weeks of play since the teams were divided into two divisions indications are for close battles and see-saw shifts in standings. In last week's play Mansons and Blow-Outs were left on top of the heap winning from Noble and Wick and Wharf Rats.

High ladies scorer was I. Garner of City Transfer with 304 and 706.

High men's scores were made by R. Shearer of Sports Shop with 343 and 700.

Team results were:
Northern Lights 4, Macey's 0

Jock Campbell Wins Tourney

Coming up from behind to win in spectacular fashion, Jock Campbell yesterday afternoon became the winner of the Canadian Legion's second handicap

City Transfer 4, Silver Streaks 0.

Headpinners 3, Pushovers - Blowouts 3, Wharf Rats 1 Sports Shop 3, Pioneers 1 Manson's 3, Noble and Wick 1 Cantels 4, C. P. A. 0.

Royal Blues 4, Ideal Cleaners 0 Bob Parker 4, Hangovers 0 Velvets 2, Handicaps 2 Watts and Nickerson's 2, P. R. Plumbing 2

Booth School 2, Conrads 2

English billiard handicap tournament, defeating Rod Smith by a narrow margin of 17 points in a 200 point match.

Campbell, who had a handicap of minus 30, was slow in getting started and Smith playing scratch had scored 65 points before his opponent had wiped off his handicap. Smith was still well in the lead at half time, a lead which he maintained until 164 was reached when both players were even.

Campbell played a steady game after getting started, making breaks of 30, 23, and 18 and two 16 in quick succession to secure the lead. Rod Smith's best breaks were 23 and 13. Campbell missed a good opportunity to win the prize for the highest break, falling one point short of the 31 break made by Neil Cameron in the present tournament.

There was a good attendance of members, all of whom were agreed that the match was one of the best games of the season. The result certainly showed that the handicaps had been skillfully arranged.

A new table has been purchased for the Legion's new premises and another tournament will be started shortly after the building opens at the end of this month.

Betty Hamilton Shower Honoree

The home of Mrs. A. S. Hamilton was the scene of a delightful surprise shower on Friday evening in honor of Mrs. Hamilton's daughter, Helen Betty whose wedding to Rupert Holkestad will take place March 31.

The bride-to-be was welcomed with a shower of confetti then seated in a chair decorated in pink and blue streamers where she was presented with beautiful corsage of pink carnations by the hostess, Miss Shirley Taylor. A mock wedding was the highlight of the evening and a game of Bingo followed.

A delicious lunch was served and a toast was proposed to the happiness of the guest of honor by the hostess, Miss Hamilton then cut a mock wedding cake. Those present were Mrs. Pat Ward, Mrs. Lenora Slader, Mrs.

Betty Holkestad, Mrs. Lorraine Smith, Mrs. Jane Everhart, Mrs. Jean Holkestad, Mrs. A. S. Hamilton, Mrs. Yvonne Quick, the Misses Shirley Taylor, Nellie Bill, Mickey Murray, Anne Dumas, Jackie Budanich, Rusty Thain, Marjie Brain, Lorraine Barbe, Lorraine Youngman, Edith Jordan, Jeanne Husoy, Christine Currie, Irene Kildal, Irma McKinnon, Arletta Hamilton, Betty Stardale, Aussie Holkestad, Diane Kennedy. Those not present but sending gifts were Miss Joyce North, Mrs. Carl Johnson, and Mrs. N. A. Robertson.

I guess we do depend on Nickel

Aeroplane parts must have dependable strength and minimum weight. That's why Nickel alloys are used. In the engine, landing gear, and through the ship Nickel alloys are found. In the galley, the hostess prepares the food surfaces made of bright, sanitary Nickel alloys.

Forty-three years of research have uncovered hundreds of uses for Nickel in the United States and other countries. Now Nickel exports bring in millions of U.S. dollars yearly. These dollars help pay the wages of the 14,000 Nickel employees and also help pay railwaymen, lumbermen, iron and steel workers and other men and women making supplies for the Nickel mines, smelters and refineries.

IN EVERY LIFE
Canadian Nickel

The jet engine has developed only as new Nickel alloys were proven able to stand up under the terrific temperatures and strains essential to jet operations.

THE INTERNATIONAL NICKEL COMPANY OF CANADA, LIMITED, 25 KING STREET WEST, TORONTO
