## SCHOOL TEA AND SALE SUCCESS

A fine display of home cooking as well as a varied assortment of other contributed articles attested to the interest of the parents at the King Edward school tea and white elephant sale held in the school Friday afternoon.

Particularly notable was the home cooking table which offered a pleasing selection of culinary articles for sale. The articles were donated by parents of school children and manifest a great interest in the school.

The function received excellent patronage, resulting in the P.T.A. raising about \$200 for school use.

Convenor of the tea was Mrs. John McLeod, while Miss Eleanor Moxley was in charge of the white elephant sale. Both the music room, where the tea was held, and the games room, scene of the white elephant sale, were decorated attractively in green and white by the pupils.

In charge of refreshments were Mrs. M. B. Lemon, Mrs. F. E. Anfield, Mrs. W. W. Bowes, Mrs. B. Roald and Mrs. T. Christoff. The home cooking table was directed by Mrs. J. Strand, Mrs. Hans Knutsen, Mrs. B. Pedersen and Mrs. Alfred Jensen.

Serviteurs were Mrs. F. J. Skinner, Mrs. William Noble, Mrs. Gunnar Anderson, Mrs. M. C. Brydges, Mrs. A. E. Martin, Mrs. H. C. Halliday, Miss Laurie Hart, Miss Elizabeth McBeath, Mrs. Jessie Kullander and Miss Sweeney.

Cashiers were Mrs. R. G. Moore and Mrs. R. E. Mortimer.

The white elephant sale was conducted by Miss Eleanor Moxley, assisted by the pupils from Grades five and six.

## CHATHAM HOLDS "OPEN HOUSE"

Mysteries of secret wartime naval technical equipment were explained to a stream of interested visitors who braved a March gale to visit H.M.C.S. Chatham naval reserve division headquarters Saturday afternoon where officers and men of the division held "open house."

Principles of radar, loran, "IFF" (identification, friend or foe), gunnery, mines and other technical equipment were outlined by Lieut. Commander J. D. McRae and Lieutenants Thomas Johnston, Walter Smith, Carl Smith and John Quinn between 2:30 and 6 o'clock.

Despite the gale, which carried with it a heavy fall of wet snow and rain, there was a good showing of visitors. Most interested of these appeared to be the Sea Cadets of Captain Cook Corps, whose cadet training is preliminary to that given in the navy and naval reserve.

Visitors were shown through both the headquarters building which housed the electronic equipment and the drill hall where the guns, mines and torpedo were on display.

In the evening, officers of the division welcomed a fair-sized gathering to a dance in the drill hall held with compliments of the commanding officer. Music was supplied by the Four Dukes Orchestra.

## Many Enjoy Moose Card Party, Dance

Dancing to music provided by the Moose Orchestra commenced at 10:30 with Carl Brechin as master of ceremonies. During the intermission refreshments were served and prizes distributed to the winners at cards.

Police Inspector F. B. Woods-Johnstone returned on the Coquitlam Sunday night from an inspection trip of the southern district of the division around Ocean Falls and Bella Coola.

It's famous for this! It helps nature (you know what we mean). This great medicine also has what Doctors call a stomachic tonic effect.
