SOCIAL and PERSONAL

Why try to get radio reception without an aerial? Phone 100 for an aerial estimate. (11)

Baseball, Victoria Day, Wednesday, Old Timers vs Youngsters, 6:30 p.m. (120)

Boy Scout Benefit, May 27, afternoon and evening, Conrad Street School. (122c)

No milk delivery, May 24, put out extra bottles Tuesday, all milk guaranteed to keep. Northland Dairy. (11c)

Mrs. S. A. Cheeseman leaves for Vancouver aboard the Coquitlam Tuesday enroute to Victoria for a short visit.

Morris Dahlquist, well known Cedarvale timber operator, returned by car this afternoon to the interior after a week-end visit to the city.

Parker and Waterman pens and pencils are about the best known all over the country. Bulger's have them in all models from \$3.50 to \$16.50. Also the ball point pencils are very popular at \$1.50. (120)

Dr. R. H. Ball, manager of the cellulose division of the Celanese Corporation of America; W. C. R. Jones, who is to be manager of the Columbia Cellulose mill here, and D. G. Stenstrom, timber consultant, left by today's plane for Vancouver. Dr. Ball is returning to his headquarters in New York and Mr. Jones is returning to his duties with Howard Smith Paper Mills at Beauharnois, Quebec, which he will be shortly relinquishing to take charge of the plant at Watson Island.

NOTICE

This is to notify our friends that the Northern Sports Boxing Club, in its new home at the corner of Second Avenue and Sixth (upstairs), is not identified in any way with the former Northern Sports and Health Springs from which we have moved. A meeting will be held Monday night in the new clubrooms for election of office public welcome. (120b)

Baseball, Victoria Day, Wednesday, Old Timers vs Youngsters, 6:30 p.m. (120)

Miss Dorothy Kergin is arriving home this Wednesday on the Prince Rupert from her nurses' training duties at Vancouver General Hospital to spend a month's vacation with her parents, Dr. and Mrs. L. W. Kergin.

Mrs. Parker Farewelled

Thirty of her real old friends gathered Friday evening at a dinner and bridge and canasta party to honor Mrs. S. E. Parker, pioneer city woman, who after forty-one years' residence here, will leave tomorrow afternoon on the Coquitlam for Sechart where she will build a cottage across the road from her son and daughter-in-law, Mr. and Mrs. James Parker and make her future home.

The dinner was held in the Civic Centre Dining Room and the party which ensued at the home of Mrs. L. W. Kergin, Fourth Avenue West. A feature of the evening's proceedings was the presentation to Mrs. Parker of a suitable gift.

Mrs. C. H. Elkins, Mrs. J. R. Elfert and Mrs. L. W. Kergin organized the party.

Seaman Visits Parents Here

On a three weeks' leave from the United States Navy, James W. Terry, son of Mr. and Mrs. William Terry, of this city, is visiting his parents here. He arrived in the city last week.

A first class seaman aboard the U.S.S. H. M. Butler, a U.S. transport, now tied at San Francisco, James saw three and one-half years active service in the Pacific with the U.S. Navy during the Second World War. He has made two trips around the world aboard the U.S.S. Tarawa, an aircraft carrier.

Dr. W. Buschlin of Premier arrived in the city by air Saturday afternoon following a vacation trip which took him as far East as Toronto and proceeded last night by the Coquitlam to Stewart on his way back to Premier.

ARTHRITIS RHEUMATISM PAINS CAN BE RELIEVED!

TIM-BER-LOX
Protects Paint
from Peeling and
Blistering

A Penetrating Sealer and Paint Mix

Tim-Ber-Lox is a clear liquid made from the finest, toughest resins and water-repellent oils and is used as a thinner for oil based paints or as a clear primer before painting or varnishing.

You will be proud of your paint job when you use TIM-BER-LOX because:

- Tim-Ber-Lox helps prevent paint from "Peeling and Blistering" by affording protection against moisture.
- The use of Tim-Ber-Lox with paint actually saves YOU money because each quart of Tim-Ber-Lox you use replaces a quart of paint.
- Tim-Ber-Lox, mixed with paint, reduces "brush drag" to a minimum, thereby giving increased coverage and a superior, longer lasting paint job.
- Paint mixed with Tim-Ber-Lox flows on more evenly, more smoothly, allowing an inexperienced painter to do a smooth professional looking paint job.

OUTSIDE PAINTING

In order to secure a good paint job it is first necessary to secure a good ground or prime coat. It is in this prime coat that the addition of Tim-Ber-Lox to paint is highly recommended. Paint with Tim-Ber-Lox added, has superior penetrating and sealing qualities which provide a reinforced foundation against moisture and helps prevent the peeling and blistering of succeeding coats of paint.

PLYWOOD

A single application of Tim-Ber-Lox will prevent separating, will greatly reduce warping, buckling, surface checking and will eliminate "Grain Raise," leaving the surface smooth and uniform for subsequent coats of varnish or paint. It costs no more to use Tim-Ber-Lox -- as Tim-Ber-Lox replaces the prime coat of paint or acts as a varnish undercoat where plywood is later to be varnished.

HARDWOOD FLOORS

Tim-Ber-Lox gives a beautiful, soft, natural floor that is water, dirt and stain resisting. Tim-Ber-Lox floors are sealed beneath the surface and therefore easier to keep clean, and retain the wax much longer.

MILLWORK

Tim-Ber-Lox treatment of all millwork -- sash, doors, window frames, etc., will help prevent moisture "pick up" which is the reason for paint peeling and blistering, will also greatly reduce warping, shrinking and checking. Millwork can be treated just as economically with Tim-Ber-Lox as it can be with ordinary paint.
