Third Game Falls Victim to Weather

The weather man and Prince Rupert baseball association just don't seem to be able to get along this year at all. After a reasonably clear morning Sunday he just seemed to open the skies to let the water pour out at game time.

Sunday's scheduled game was the third in aid of the Manitoba flood sufferers to be rained out. Maybe the weather man's spite is against Winnipeg and not the ball association.

Smithers Team Coming Sunday

Smithers baseball team is coming to Prince Rupert Sunday to play two games with local clubs.

Sunday afternoon they play the Commercial. Monday they play Abel and Odowes if stores are closed for the King's birthday. Otherwise the second game will be played Sunday, also, in a double header for the visiting team.

The local association has also promised to send a second team to Smithers July 1, while the first team will play Ketchikan here. A return engagement with Ketchikan will be played in the Alaska city July 4.

Dogs and cats, as well as people, suffered in the evacuation during the Southern Manitoba floods. Shown above are just a few of the 75 abandoned or lost dogs rescued by the Humane Society and brought to Winnipeg. Gordon House of the Manitoba Flood Relief Fund (left) and Ben M. Bert, Humane Society representative, examine the dogs for identification tags. The animals are being kept until owners claim them, and all dogs brought in are classified by age, sex and breed so that owners will find it easier to identify their pets. The Manitoba Flood Relief Fund will handle rehabilitation of flood victims and thus bring about the reunion of many owners with their pets.

BATTER UP!

by ART MURRAY

Tonight at Roosevelt Park the Prince Rupert Baseball Association will again endeavour to open its 1950 season. With consistent interference from the rain man this opening game has been on tap for over two weeks and players and authorities alike are fast becoming irritated by the situation. Tonight it will be Abel & Odowes vs Commercial as announced in these columns many times already.

Watson Island, the team that the Association was rather reluctant to do business with earlier in the month, is rapidly acquiring players from here and there and yesterday announcement of two steals from the Commercial by Dan Doswell has irked Ed Davis enough to have him make the statement that his team won't lose a game to Islanders all season even if he has to go to New York for players. The players in the deal are Haryluk, the Hotelmen's first baseman, who caused so much trouble last season over the eligibility rule in the playoffs, and none other than silent "Miner" Simundsen who still seems to have the odd game left in him.

Ben Dodds, the Terrace pharmacist, who doubles in community-boosting at the interior town.

Opening Up to Weatherman

If the weatherman smiles tonight, the local baseball association hopes to get under way finally with a game between Commercial and Abel and Odowes.

To date three attempts to start have been abortive. The clubs are itching to try each other out. Abel and Odowes are still smarting under the shellacking handed to them in a pre-season game by the hotelmen. They think they can do better.

Football is Opened

The football season got off to a good start last evening when in the first game of the North Star trophy the Canadian Legion and the General Motors played to a scoreless draw.

The Legion attacked and Murray and Armstrong threatened but Boulter saved. The Motors attacked and Eby blocked a hard drive. Baxter tested Boulter who cleared and then Ford's hard drive was blocked by Eby. Olsen fed Hornell but the latter shot high. Currie stopped Armstrong and Murray. Wilson drove wide but there was no score at half-time.

Boulter had to run out to save and was lucky later when his clearing drive was blocked by Armstrong but the ball was scrambled away. A cross from Wilson got the Legion defence in a tangle but Yelland saved. The Motors defence got in a jam too but survived. Then a lovely cross by Baxter beat the Motors defence only to find Armstrong with an open goal turning the ball yards high over (Continued on page 8)
