TWINS' Mother Says

"NEOLITE WAS AN EASY WINNER!"
At Goodyear's request, Mrs. S. M. Marrs, 139 Boyton Rd., Toronto, made the "Twin-Test". Bill (left) had NEOLITE soles; Bob wore shoes with leather soles.

● The two active Marrs youngsters romped and played together all day long. Like other normal boys, they gave their shoes plenty of punishment—until Bob's leather-soled shoes had holes in them. But not Bill's! His NEOLITE-soled shoes still had plenty of wear left in them after the test! Yes, it's a proven fact—NEOLITE soles far outwear the toughest leather.
