## School Gym Overhauled

The school gym is having its face lifted. A group of energetic girls under the supervision of Marion Greenwood, girls' sports representative, and Mrs. P. Adlem, girls' P.T. teacher, have been busy sweeping the floor and clearing the rafters of cobwebs, painting the all's floor-lines. The walls are white and the lines are red. It is hoped that the leaks in the wall and roof will be mended so that the volley-ball games which will be played soon will not be rained out. Enthusiasm, which was quite high at first, has fallen a bit but the work is progressing at a very favorable rate.

## Personalities

**SHARI INGALLS**  
(Vice President of the Students' Council)  
Shari was born in Vancouver, December 5, 1933. She received her primary education in New Westminster and at Port Edward. She came to Booth in Grade Eight and is now in Grade Eleven, taking the university entrance course. She plans to be a nurse. Her hobbies are art and sports of all kinds. She belongs to the I.O.D.E. Her only complaints are that there are not enough good looking boys over six feet tall and the teachers give too much homework.

**ARNOLD OLSON**  
(President of the Senior High Council)  
Arnold Olson, the six foot two president of the Senior Council, was born in Winnipeg, Manitoba on May 16, 1932. His primary and unior high educations were received in Winnipeg, the latter at Lord Selkirk School. In 1947 Arnold came to Prince Rupert, where he has attended Booth since Grade 10. He is taking the University Entrance course and although, to use his own words, his future is uncertain, he hopes to attend Booth for grade 13 and continue to university. He has developed several interests since coming to Rupert among which are boxing and basketball. His home life is taken up with his coin and geological specimen collections and he is an ardent chess player. In addition to these he is no stranger to skis, a skill he has enjoyed since early in life. Arnold, who is a good student, is now devoting much of his time to his office as council President. Good luck, Arnold!

## Organizing Glee Club

Mr. Huber is organizing a Glee Club. The total he hopes to get is a hundred students so that he will be able to have a four part harmony. Margaret Strachan is the pianist, and assistant pianists are Mardale Soiland and Olive Strand. Mr. Huber says that they are planning to do popular songs, semi classical and some classical music. Later Mr. Huber plans to have an opera to enter in the Music Festival.

## My Home

(By M. G. 10-2)  
In a wooded hidden valley,  
Laden deeply with snow,  
Lies the great Peace River,  
Sull it flows and flows.  
Though its hills are darker,  
And skies so cold and blue,  
Always joy and gladness there,  
Because it is so true.  
Over its broad hilltops,  
Round its sweeping bends,  
Lies my tiny home town,  
There gay life never ends.
