## Christmas For Dionne Quints

NORTH BAY, Ont. (P)-Christmas at the home of the Dionne quintuplets, as usual, was "a family affair." It was strictly a family cele-

bration as in other years. The family started the day by saying mass in the Dionne private chapel.

The principal gifts which the quints and the other children received from the parents were pen and pencil sets and a huge radio and record player.

More than 300 Christmas cards were received by Annette, Cecilc, Emilie, Marie and Yvonne. They came from all parts of the world, a goodly number from Europe.

All members of the family returned home for Christmas, including Therese, a school teacher at Welland, and Rose, a married daughter now living in Waterloo.
