WOULD FINISH OFF BILLIARDS

Endeavouring to Wind Up Tourney Before Poppy Day

Efforts are being made to finish off the opening handicap of the Canadian Legion English billiards tournament before the commencement of "Legion Week" which starts with "Poppy Day" on Saturday next. J. Nicoll will meet B. G. Simundsen in one game of the semi-finals, but three more matches remain to be played in the second round, and two more in the third round before it is determined who will be the other pair in the semi-finals. Recent games in this series resulted as follows:

First Round R. H. Simonsen won from F. D. Hardy by default. Second Round Alex. Harvey (minus 20) beat John Lawrie (plus 15) by 150 to 87. B. G. Simundsen (plus 30) beat R. Marshall (plus 30) by 150 to 94. Third Round J. Nicoll (scratch) beat G. R. Brett (scratch) by 150 to 104.

SKI ENTHUSIASTS BUSY ON SUNDAY

Men Cut Firewood and Girls Improve Lodge Interior. Not even the strenuous Halloween festivities daunted the spirits of the loyal Ski Club members early Sunday morning some twenty of them hiked up Mount Hays to continue their work in preparation for the skiing season.

A number of trees were felled and chopped by the boys whose noises could be heard shouting "timber," for miles around. The kindling pile is reaching never-before-attained heights. The girls went ahead with the dyeing of materials for drapes and chesterfield covers in the main lodge.

A number of Camera Club members hiked up the mountain also but, instead of taking pictures, assisted in collection of the wood supply.

Plans for the ski-tow have gone ahead. It should prove to be a valuable asset to the club. Two young couples, new in town, visited the lodge. All four have done a bit of skiing elsewhere.

A tired group who felt they had accomplished a good day's work trekked down the slope and parted for home with the remark, "See you next Sunday."

Reminiscences and Reflections

By W.J. A good press is the first requisite for any one who wishes to have his views placed before a country. This appears to be the case where Dr. Hewlett Johnson, the "Red Dean" of Canterbury, who will tour Canada next month, is concerned. Already, differences as to the wisdom of allowing him in the country have been aroused. That means news and incidentally, duck soup for the Dean. The I.O.D.E. ask the government to bar him and the Anglicans, while not opposing his appearance privately, cannot officially sanction his series of addresses as representing the church.

Many Attend Moose Whist Party, Dance

Another large gathering of members and friends gathered Saturday night for the weekly card party and dance of the Loyal Order of Moose. Winners at whist were Mrs. Joseph Ratchford and Mrs. A. Dumas with H. P. Woodside and H. Wright taking the men's prizes. Following the serving of refreshments, dancing was enjoyed.

LONDON—White buttons highly prized by native converts are collected by Sunday School children of St. Matthew's Church, Buxton, to send to their adopted missionary, Canon E. C. Arnold, of the Sudan.

INCOME in early married life is never large. You haven't had time to build reserves to provide for your family in the event of premature death.

The Crown Life Guaranteed Family Income Benefit has been designed to meet the needs of the young family. It will give your family that necessary protection—and at low cost.

How? By providing a regular monthly income while the children are growing up and at the end of the income period a further payment in cash of the full face value of the policy.

Get in touch with a Crown Life Representative today. He will be glad to go over the plan in detail with you.
