Mr. Glassey stated 40 copies have  
been posted so far but consider-  
ably more will be sent away this  
year. Secretary Glassey in his  
report, exhibited letters from  
persons in all parts of Canada and  
the U.S. requesting information  
about this city.

It was suggested that Algoma  
Park be used as an auto camp.  
The secretary stated he would  
furnish the council with informa-  
tion regarding availability of the  
property. Ed Williams came up  
with the idea of tax-free property  
for the purpose of a tourist camp.  
He stated his home town was  
granted this type of land on  
which a tourist trade was built.  
Mr. Glassey recalled the city  
council's unwillingness to do this  
during other years but added that  
he would work on the idea.

Pearson on a 23,000-mile journey to Ceylon early this month. Mr. Pearson is representing Canada at the meeting of Commonwealth foreign ministers there. ### Continuous Job for U.N. in Holy Land

Four Mixed Armistice Commissions, each with a United Nations Representative as chairman, are on the job in Palestine to help Israel and her neighbors maintain the peace they agreed upon a year ago with U.N. help. At left, MAC members look over the ruins of a tank. At right, they supervise the reclamation of soldiers' bodies from unmarked desert graves where they were temporarily buried.

### Fire Blow To Lodge Finance

**Moose Survey Position After  
Loss of Lodge Temple  
This Week**

Of the \$25,000 total damage to  
the Moose Hall Thursday morn-  
ing, the lodge will receive only  
\$6,000 from insurance ant this  
amount, announced secretary  
Herb Whiffen, was nearly spent  
for reconditioning purposes pri-  
or to the blaze.

The executive held a special  
meeting at the home of Harold  
Mency Thursday night to make  
plans for the future. No defini-  
te conclusions have been ar-  
rived at but negotiations are  
under way for the possible pur-  
chase of another building.

The lodge decided to stage a  
benefit dance for the five fire  
victims who lost all their be-  
longings in the blaze. Entire  
proceeds from the dance, which

is expected to be held at some  
time during the middle of Feb-  
ruary, will be given to the five  
occupants. It is reported Gillis  
Royer was the major victim  
losing personal effects which he  
cherished more from sentimen-  
tal value. In addition to losing  
many fine clothes, he parted  
with between \$200 and \$300 in  
cash. Eddie Hildebrand, who is  
to be married soon, also suf-  
fered heavily. He lost all furni-  
ture which he was storing in  
the building.

During the last three months  
rewiring, new fixtures, plumb-  
ing and cleaning has cost the

lodge an estimated \$3,000. With  
only \$6,000 coming back from  
insurance, the organization will  
have to practically begin  
from scratch. Don Forward, di-  
rector of the Civic Centre, has  
offered the use of the common  
lounge for future lodge meetings.

Cause of the fire has not been  
definitely proved. The sugges-  
tion that a blow torch sent the  
building up in flames is ques-  
tioned. The theory is now ad-  
vanced that an explosion in the  
furnace sent flames into the dry  
basement.

## Wants More Sea Cadets

"Although the Prince Rupert  
division of the Royal Canadian  
Navy Sea Cadets are a fine group,  
I would like to see more of the  
boys here joining," stated Lt. Cdr.  
G.J. Manson, area officer of Sea  
Cadets for British Columbia from  
Vancouver, who inspected the  
division in the Naval Drill hall  
Thursday night.

Complement for the Prince Rup-  
ert group is 50, the officer stated  
and at present only 27 are in  
the division. He pointed out that  
Sea Cadet training is invaluable  
as both sports and naval know-  
ledge such as splicing, knotting  
bends, hitches, rigging and sail-  
ing boats and rifle firing, is in-  
structed. During the summer,  
camps are held. Cadets from the  
B.C. and Alberta area are taken  
for a two week trip to Camp La-  
tona on Gambler Island.

The Empire Sea Cadet camp  
held with success at Shoshee, Que-  
bec, last summer was hoped to  
be held again this year but, up  
to the present time, the officer  
said, no word has been given to  
that effect. The camp was the  
first attempt by the Navy League  
of Canada in conjunction with  
the R.C.N., and included 165 cad-  
ets from Canada, the British  
Isles, Sweden, New Zealand and  
Australia. The Sea Cadet move-  
ment in Canada is hoping one  
of these countries will stage a sim-  
ilar camp, but so far no move in  
that respect has been taken.  
Plans are underway, Lt. Cdr.  
Manson stated, for another camp,  
but for Canadian cadets only.  
Two will be picked from divi-  
sions across Canada on basis of  
merit and be given a two-week  
holiday at some eastern location.  
Lt. Cdr. Manson arrived in  
Prince Rupert Wednesday, after  
inspection trips at Port Alberni,  
Victoria and Nanaimo. He left  
for Vancouver by plane yester-  
day enroute for inspections at  
Nelson, Trail and Penticton.
