## No Pile Torture

Now that modern science has the new  
Pylone Treatment, a common-sense way,  
that removes the inside cause, by internal  
treatment, a liquid (by mouth), gives  
lasting results even with the first bottle,  
or price refunded at once. Today, with  
Pylone, that torture is needless. Pylone,  
\$1.75. Ask your druggist. He knows.
