**FOOTBALL—**  
**Battery and Motors Tie**

**Soldiers, For First Time In League Play, Fail to Win Game**

Heavy Battery, undefeated so far in City Football championship competition for the North Star Cup, was hard put to squeeze a one-all draw from a determined General Motors side in last night's hard fought match. Parkhouse picked up a weak clearance to drive the ball past Boulter late in the second half to give the Battery their tying counter after P. Wilson's carefully placed shot had beaten Morgan to give the Motors a one goal lead midway through the first half.

Battery won the toss and elected to shoot uphill. Price started the game for Motors as he, P. Wilson and R. Currie promptly made tracks for Morgan but the Battery defense transferred the game with promptness. D. Ward, D. Gomez and Pavlikis were dangerous but the Motors' defense cleared the ball. Battery continued to press and Boulter did well to clear from a dangerous goal mouth scrimmage. Veitch sent his forwards up again but J. Ward, Lien and J. Wilson cleared their lines. Owens made a good run but drove over. Then Halvorsen fed his forwards and R. Currie, P. Wilson and Price showed neat combination, but Price's drive was cleared by Morgan. Mazzone and Vuckovich combined but Sonstebj stopped the attack. Blackmore and Owens combined nicely. Then Price collected a loose ball and while his hard drive shook the crossbar over Morgan, P. Wilson retrieved the rebound and carefully placed the ball past the Battery's custodian to put the Motors in the lead. Play ranged from end to end as both defenses were tested but the interval arrived with Motors leading by one goal to nil.

On resuming, the Battery, with the slope and wind in their favor, drove the ball deep into Motors territory but the defense cleared the sphere away and the Motors forwards took up the attack. Dunbar, Mazzone and Veitch were prominent as the Battery defense was now under pressure. Morgan cleared from Owens, then Price came close but Dunbar blocked the shot. Currie made a good run but F. Gomez broke up the attack and fed his forwards. D. Ward was fast and his good centre was headed down by Olsen and cleared away. The Battery forwards were being closely watched and Pavlikis could not get clear. Ward shot past. Then Veitch tried to force the attack but Boulter stopped the drive. Lien cleared strongly but Mazzone was on the spot and fed Vuckovich. Olsen blocked a Mazzone, Pavlikis move. D. Gomez fed Ward who was robbed neatly by J. Wilson. Battery continued to press and forced three corner kicks but the Motors' defense cleared the ball away. F. Gomez was prominent and fed his forwards effectively but they failed to get loose. Haugen blocked F. Gomez' rush and set up Currie but Ferguson broke up the attack. Motors pressed and finally Currie pushed the ball past Morgan but the goal was offside. Battery attack resumed and Boulter was called upon to save from D. Gomez and Parkhouse. Finally from a close in scrimmage, Parkhouse drove the ball past Boulter to tie the score. Play continued interesting as Battery contin-

**WINS SINGLES TITLE, BUT IS OUSTED IN DOUBLES EVENT**—Ted Schroeder (above) refrigerator salesman from Larescenta, Cal., won the men's singles tennis title at Wimbledon, Eng., but failed to win honors in men's doubles. Schroeder downed chunky Jaroslav Drobny, the left-handed Czech, 3-6, 6-0, 6-3, 4-6, 6-4, to win singles title. But in doubles event, Schroeder and his partner Gardner Mulloy were defeated by U.S. stars, Richard Gonzales and Frank Parker.

ued to press but the long whistle sounded with no further score.

**GOOD AND FAST**

It was a good game to watch with play moving quickly from end to end. The defenses were generally able to handle the attack. Morgan was very safe in goal, having no chance with the shot that beat him. Dunbar and Ferguson were competent backs. Mazzone played hard and Veitch was effective. F. Gomez played a driving game and was particularly effective in the second half. Vuckovich did well. Parkhouse was fast and his hard drive just under the crossbar gave Boulter little chance. Pavlikis was dangerous but was given little leeway. D. Gomez played his usual hard game. D. Ward was fast and dangerous but had few openings.

Boulter was very good in goal and had more to do than Morgan. Lien and J. Wilson were hard working backs. Sonstebj did well. J. Ward, at centre-half for the first half, showed many neat touches. Halvorsen played hard. Olsen, relieving J. Ward at centre-half played a strong game. Haugen, coming in for Halvorsen at half time, did well. Owens played hard and crossed some good centres. Blackmore was fast and passed well. Price at centre-forward was effective. He has added weight and punch to an otherwise light forward line. P. Wilson was good, his goal being the result of careful shooting. R. Currie was fast and crossed some good centres.

**PLAY BALL**

The first publication of the local Big Six contains seven names since Bruce Simundson and Benny Windle are tied with a neat 400 for sixth place.

Cliff Dahl leads the parade with an outstanding 529 mark. He is closely followed by Cornwall with 526.

The unusually high figures after seven games when the averages should be leveling off would indicate that the batters are enjoying predominance over pitchers this season.

A review of other batting averages reveals 13 players over the 300 level.

In spite of the high batting marks, three games to date have been close with no unusually high scores.

Facts and figures will be altered tonight when Merchants attempt to upset the league leading Savoy. A win for the Merchants would put them in a second place tie with the idle Commercials and would tighten up the standing considerably.

**Keep your youngsters fit... steady health is precious!**

"Martha, your Elsie and Bill act dull and listless at times. But, to keep up with playmates they just have to be on their toes all the time. That's where steady health counts — they must keep fit."

Keep your family fit all the time. One good way is to guard against "irregularity" — often caused by lack of bulk foods in the daily diet.

Post's — the better Bran Flakes — supply the natural bulk needed to help keep food wastes moving promptly — help the whole family retain vigour and vitality.

And all the family will enjoy wholesome wheat nourishment — POST'S BRAN FLAKES are made with other parts of wheat. Appetizing as a cereal. Also tasty and effective when made into light, tender bran muffins. Follow recipe on package. Two package sizes, large or regular. Insist on Post's — the better Bran Flakes.
