A large number of native Avenue East, preparatory to survoters, it is believed, cast ab- facing along Hays Cove Circle sentee ballots at Port Edward and Seventh Avenue to McBride Street.

The work will continue without interruption providing the lay the mixture. The immediate consin, president of Gyro International, who made an program calls for the paving of impressive and deeply sincere address last night at

LAKE EXCCURSION SHIP TOTAL LOSS AFTER FIRE-Minutes after fire was discovered aboard the C.N. steamship Northumberland, docked at Port Dalhousie, Ont., the ship was ablaze from stem to stern. The crew fought the blaze for four minutes then gave up. Here the St. Catherines and Port Dalhousie fire department hose are pouring water on the ship.
