Bo-Me-Hi Basketball Series Big Event of Week-end

Bo-Me-Hi's basketball team arrived in town last night for their annual series with the Rainmakers on Friday and Saturday. All indications are that this will be a bang-up series. Bo-Me-Hi has only two years' members playing, with Ketchikan having the same number. Ray Spring is expected to come with enough points to name on ice.

New Teachers At School

MR. MATTHEWS—Mr. Matthews was born in Kyle, Saskatchewan, and later went to Vancouver to live. He graduated from John Oliver High and attended UBC for five years, majoring in physical education and mathematics. He played on the UBC basketball team for three years. His favorite sports are soccer, softball and baseball. Mr. Matthews' out-of-school activities include playing basketball for Gordon & Andersons, coaching the Hi Greens, instructing the men's gymnastics and Rip Rec as well as sponsoring the Pep Club. In this, his first year of teaching, he teaches the Grade Sevens.

MISS McPHAIL—Miss McPhail was born in Saskatchewan and came to Prince Rupert last July. She attended the University of Saskatchewan where she majored in home economics. She was also in the C.W.A.C. for two years as a dental nurse. Her favorite hobby is sewing and her favorite sports are horseback riding and softball. She teaches home economics at Booth and says she likes Prince Rupert—rain included.

ABDUCTION OF PROSERPINE

(The joint struggle of Norma MacKay and Barbara Doumont)

One day on Mount Olympus high,
Sat cupid by his mother's side,
"Dear son let forth your arrow fly
Into cruel Pluto's naked side."

True far and fast the arrow sped
Until its target it had hit
To Proserpine the arrow lead
And Pluto followed after it.

He grasped her in his brawny arms
And looking furtively aside,
At though to guard her from all harms
Away he sped with his new bride.

Up came his chariot of black
Drawn by his cruel and fiery steeds
It came to carry Pluto back
To start again his evil deeds.

Fair Proserpine returns each year
"Tis summer when she reappears
To see her Goddess mother dear.

But when the red leaves do appear
To go below and live with him
Her husband's call she has to hear
Into the land of death and fear.

City Council Is Interesting

Mayor Graham and Aldermen Ingalls, E. Ingram, R. Ingram, Strachan, Hill, Procter, Webster and Brain and City Clerk Iona Hardy attended the meeting of the city council on Monday evening in the city hall.

Attending the meeting gave the students somewhat of an idea just how their meeting will be conducted on Future Citizens Day.

It is the first time most of these students ever attended any civic meeting and they were very interested.

"Butch" Is Privileged

Morning and noon every day, Butch, a little black and white dog, faithfully follows his mistress to school. Upon arriving here, he is not told to go home like the rest of the dogs but allowed to come in and attend the various classes. When he finds the subject boring or incomprehensible he either goes to sleep in the hall or wanders around the school looking for his mistress.

We think that he will graduate in 1952 but try as we will he won't tell us what his plans are for the future.

Pep Club Is Ready

The 70 students in the Pep Squad have been very busy these last two weeks practising new cheers for the Kay-Hi and Bo-Me-Hi series. Mr. Matthews, the sponsor, is also trying to work in a sketch with some of the boys in the club and we hope it will be a success.

The three cheer leaders—Pat Hill, Leona Webster and Rena Ingram—have their uniforms finished. They are white pleated skirts, two of them with green sweaters and yellow megaphones and the other a yellow sweater and green megaphone. The song queen Barbara Moore has been busy practising the school song with the students.

With the full support of the members of the student body, these girls will add interest and make the evening a success.

Once again the Bo-Me-Hi Greens came back strong to swamp the Merchants Tuesday after their shellacking by the Bo-Me-Hi Golds. A win over Fashion Footwear on Tuesday would put them in a tie for second place. As it looks now, both High School teams might run away with the league. Very likely the Golds will have an undefeated season as far as the league is concerned.

Ping-pong tournament schedules are being drawn up at present. Jack Sharp is looking after the boys' tournament while Leona Webster is making a schedule for the girls. Play should get under way shortly.

Shirley Haugan—Shirley was born in Prince Rupert on February 17, 1936. She attended King Edward School and is now in grade 9 at Booth. She is taking a university entrance course and her future is undecided. She is a member of Job's Daughters, plays an active part in the Drama Club and is president of the Junior Council. Her hobbies are basketball, collecting boys and talking to Mr. Matthews which she is seen doing quite often.
