Fiery, Itching Toes and Feet

Here is a clean, stainless antiseptic oil that will do more to help you get rid of your trouble than anything you've ever used. Its action is so powerfully penetrating that the itching is quickly stopped; and in a short time you are rid of that bothersome, fiery torture. The same is true of Barber's Itch, Salt Rheum, Eczema—other irritating unsightly skin troubles. You can obtain Moore's Emerald Oil in the original bottle at Ormes Drugs or any modern drug store. It is safe to use—and failure in any of these ailments is rare indeed.

The prairie does not appear to agree with Jack Scott, who is telling the country, through the Sun, what he thinks of it all. Here and there, comment is breezy and readable, but it's plain he has no use for mud and less for dust. Perhaps the prairie is all right—in spots.
