The Vancouver tug Active struck a reef 130 miles up the coast from Vancouver last week but was not lost. A large hole was ripped in her hull. She carries a crew of nine.

Writing from her home in Los Angeles to Wm. Stapleton, C.N. Passenger Traffic Manager, Mrs. A. S. Lebell says: It may please you to know that my trip to Alaska on the Prince George was one of the happiest experiences of my life. The inspiring scenery had a deeper, lasting ffect due to the comfort and luxury of the ship, and the courtesy and friendliness of captain and crew."

Frank Waterhouse freighter Chilliwack, Capt. H. F. Stevens, is heading southward to Vancouver by way of Surf Inlet and Alert Bay following a voyage to Skagway where she loaded a full cargo of machinery and equipment which is being moved out from the Canol project at Whitehorse. The vessel was here from 9:30 a.m. to 3 p.m. Saturday and, while at this port, unloaded a tractor which is to be taken to Prince George. At Surf Inlet the Chilliwack was to load mining machinery for Vancouver.

Still another light out of commission in this area following recent storms at sea is the lighted beacon on Seal Rocks which, according to the district marine agent of the Department of Transport, will be put back
