CROWDS CELEBRATE ANNIVERSARY OF CZECHOSLOVAKIA
—Here is a general view of the crowded Wenceslas Square in Prague during the celebrations of the 30th anniversary of Czechoslovakia. 25 Years OF WHISKY-MAKING SKILL

Sealed in charred oak casks, Harwood's Canadian Rye Whisky leaves the huge, vine-covered rack houses where the slow passing of time has brought it to a mellow maturity. Not a drop of Harwood's but it is fully aged, delicate in flavor.

The making of whiskies is not a business, but an art, as the men at Harwood's well know. For over a quarter of a century they have distilled superb ryes from the pure, crystal-clear mountain waters of the Coast Range... and watched them mature perfectly in the mild, even coast climate.

A background of fine promise, Harwood's realizes that promise.
