Howe to Washington Being Watched

Canada, while expressing herself steadily for general Allied standardization of arms, has simultaneously been seeking integration of current military production with the United States.

> Observers are watching closely the current visit of Minister of Trade and Commerce C. D. Howe to Washington. Howe indicated yesterday that an attempt was being made to have Canadian equipment interchangeable with American items. He announced a standardization of screw threads, something that has been worked upon for thirty

FIVE HUNDRED HINDUS DROWN

PATNA. India. (P. Five hundred pilgrims were feared drowned yesterday when a river HAINES ROAD steamer capsized on the sacred Ganges, while returning from the Sonepur Fair, the year's NOW CLOSED biggest Hindu festival. The pilgrims, packed on the lower deck of the vessel, were believed trapped when it capsized. More than 100 cattle and horses were drowned.
