BASKETBALL—

Co-ops Take Easy Victory

Senior—Co-Ops, 47; Bo-Me-Hi, 30. Intermediate—North Star, 34; Fashion, 45.

League basketball got under way again on Saturday night after an enforced lay-off due to the power shortage. As one fan was heard to say after the game, the lights should have been left off—there was more power from the lights in the gym than from either of the Co-op or Bo-Me-Hi teams. It was definitely a poor brand of basketball but, of course, there was a reason as the teams have not had a practice during the power shortage and also had the usual two-weeks lay-off at Christmas. The Senior game was a low-scoring affair with the league leading Co-op away out in front at the final whistle with a 47 to 30 score.

Co-op led at the half 24 to 16 but High School hit their stride in the third quarter to tie up the score at 26 all, finishing

the period just two points down at 29 to 27. In the final quarter High School, without the services of Ray Spring, just could not find the hoop and scored three points while Co-op was swishing them through for a neat 18 and the win that places them further ahead in the league race. Holkestad and Arney hit 13 and 10 respectively to lead in the scoring. Referees Comadina and Slatta called 14 personal on Co-op and 17 on Bo-Me-Hi which lost Carlson in the third quarter with five personal. Co-op was weak on foul-shooting, making only seven of 21. High School fared some better with 8 of 19 free throws converted. Slatta refereed alone for the first few minutes as Comadina was snowbound and turned in a first class performance, controlling the game with a firm hand during his solo stint.

Line-ups

Co-op—R. Holkestad 13, Arney 10, Morgan 4, Scherk 4, Davis 7, M. Holkestad 2, Flaten 7. Total 47.

Bo-Me-Hi—Carlson 6, Webster 5, Scherk 5, Moore 4, Bill 2, Kristmanon 2, McChesney 2, Ratchford, Sharp 4. Total 30.

Intermediate

Fashion again trimmed North Star in the Intermediate game but North Star must be given credit for having tried. They are a younger and lighter team and to score 34 points against Fashion indicates they are the team to watch next season. Jim Intermela had a big night, scoring 17, followed by Barrie Hill with 12, and Bob Gill with 10 for Fashion. Robert Smith topped the score for North Star

with an even dozen followed by Hartwig with nine. Carlson and Husoy called fouls evenly, eight infractions on each team. It was the best of the two games played on Saturday evening.

There were no games in the Junior or Ladies' divisions, due to the lack of power and this will be the order of the league until present restrictions are lifted. Practices get underway again tonight with the exception of Juniors who will have to wait until the lights come on again. Tomorrow night there will be games in the intermedi-

From a single branch in Halifax to...

In this quaint old building in Bedford Row, Halifax, The Royal Bank of Canada had its modest beginning in 1869.

Canada's Largest Bank

In the short span of a single lifetime, The Royal Bank of Canada has grown from a small local bank in Halifax to become Canada's largest bank and one of the first thirteen banks in the world.

The Royal Bank's 1949 Financial Statement discloses that assets have reached \$2,334,985,354. This is the highest point in Canadian banking history. Total deposits have also reached a point never before attained by a bank in Canada—actually well over the \$2 billion mark—striking indication of public confidence in the institution. Branches, serving large and small communities in all ten provinces and in many countries abroad, now total over 730. This places The Royal Bank of Canada in the forefront of all Canadian financial institutions.

The Royal Bank is proud to have shared in Canada's steady march forward to her present place in the family of nations. The 11,000 people who serve you at branches in Canada and abroad are well equipped and ready to meet the challenge of the years that lie ahead.
