CAMBRAI GROUP "ADOPTS" TWO RURAL SCHOOLS

Schools at Port Essington and Port Edward will be "adopted" by Cambrai Chapter, I.O.D.E., and the group will begin its sponsorship by providing a small library and presenting a picture of the King and Queen to each school.

The sponsorship plan will be similar to one in effect between the chapter and Conrad and Booth Memorial High School, which receives assistance from Cambrai.

Plan to "adopt" the two rural schools was approved by a meeting of the chapter at the Civic Centre after it had been outlined as an educational project. The group also voted to donate \$50 to Conrad Street School and a similar amount to Booth High School to aid in building up their libraries.

The meeting also made arrangements for preparing Christmas hampers for distribution to needy families in the district.

The meeting concluded with refreshments served by Mrs. J. D. McRae and Mrs. Duncan McRae.
