Prices and Trade Board Order Requires Vancouver Jobbers to Send Citrus Fruits

Prince Rupert produce dealers, who were fearful that they would be discriminated against by Vancouver jobbers through undue curtailment of citrus fruit shipments under the cut in quotas of imported fruit and vegetables from the United States and, appealed to the Prince Rupert Chamber of Commerce for support in their representations, would now appear to be guaranteed protection under a new order of the Prices and Trade Board requiring that citrus fruits be distributed equitably among customers who purchased it during the base period from July 1, 1946, to June 30, 1947. A copy of the order is being sent to the Vancouver office of the Prices and Trade Board with the request that they bring it to the specific attention of companies supplying the Prince Rupert market.

Meantime, a compilation of citrus fruits shipments from Vancouver to Prince Rupert since quotas were imposed November 18 indicates, according to the Prices and Trade Board, Prince Rupert received, to large extent, fair share of such fruits although some Vancouver jobbers may have overshipped while others undershipped.

JOHN KETCHESON

AMBITION OF SASKATCHEWAN-BORN LAD IS TO BE FORESTER

Fishing, particularly angling, is John Ketcheson's favorite sport and he has a fondness for swimming, such a fondness in fact that he and some of his chums celebrated Princess Elizabeth's wedding day (November 20) by taking a dip in the Salt Lake across the harbor.

Although John was born in Saskatchewan, and spent nine years of his life in a land not noted for its forests, he is determined to enter the service of the Forestry Department when his schooling is completed.

John, who is now 14 years old, has been a resident of Prince Rupert for the last five years. A grade 9 student of Booth Memorial High School, he is a member of the Study Club and Bo-Me-Hi Junior Basketball team. His chief hobby is stamp collecting and in his spare time he enjoys reading. Aside from basketball he enjoys the recreation facilities open to him as a member of the Civic Centre.

A Daily News delivery boy for the past 18 months, John's route takes in Sixth, Seventh and part of Eighth Avenue between McBride Street and Tatlow.

By virtue of his sales ability, John captured third prize in the Daily News new subscribers contest held during November and December of last year.

LOST HIS FLASK

EDMONTON — One man convicted here of possessing liquor illegally found that "confiscation" of it meant confiscation of its container as well, which in this case was a silver flask. The flask became the property of the province.
