

ROBERT WATTS

LIKING HIS FAVORITE RECREATION, ALSO HAS FLAIR FOR FASTBALL.
11 years Bob Watts has lived in Prince Rupert, the city of his birth. Bob is in Grade 6 this year attending Borden Street School.
Like most of the 'teen boys of Prince Rupert, Bob does not name basketball as his favorite sport. His favorite is ice skating best of all which may seem strange for one who was born and brought up in a locality which has sufficient frost to make skating a Canadian heritage whether in the "banana belts" of Columbia or in any part of the Dominion.
It is a game Bob likes to play when the season permits. He is a member of the Civic skating club which has access to such facilities as are open to the public.
He has any spare time to spend it working on his stamp collection or reading.

This beret has been around! It's as well-known in other countries as it is here in Canada. To some nations it has meant liberation... to some, law and order... to some, defeat.

There are a lot of "good heads" wearing berets like this one... fellows you'd be glad to know and claim as friends. Chaps who can teach you things that are worth knowing... a trade, for example... or sports... or perhaps just how to hold your head high and be proud that you are serving Canada as they are doing.

If you're seventeen, start planning your future career. Call around at your local recruiting centre or a nearby armory and see about ordering your beret now!
