"As an old hand at sailing I always take precautions against being becalmed with men."

NO HOTEL ROOM IS FOUND HERE
"I was asked by tourists" remarked a railroad man last evening, "if I could tell them where they could find hotel accommodation or even room space, but I couldn't. They had tried their best, but that was not enough. They would like to have remained over in Prince Rupert for a while, but under the circumstances they had no choice but to keep on travelling."
Remarked a local citizen: "A man spent one night on a lounge in my home. He sure appreciated it."
And there were others with similar statements.
