**Small Electric Appliances that do a BIG JOB**

No woman whose home is equipped with modern electrical appliances would dream of trying to get along without them.

Convenience, speed, efficiency, ease-of-operation and economy... these are some of the qualities that women have come to expect—and always get—from their electric servants.

An automatic iron, an electric tea-kettle, a toaster—these are only a few of dozens of indispensable electric aides waiting, and ready, to serve you.
