Farm Institute Feels Slighted

Last year's officers of the Kit-sumkalum Farmers' Institute were voted back into office by acclamation at Wednesday night's annual meeting which was held in the Credit Union Hall. Thomas Olson was in the chair. On this year's slate of officers are:

President—Thomas B. Olson
Vice-president—Hans Amdam
Secretary—treasurer—Floyd Frank
Executive—B. Brandis, Ivan Frank

The quarrying and marketing of lime for agricultural purposes comprised the main topic of discussion at the meeting. This work has been going on for some time, 140 tons of lime having been quarried last year.

Regret, was the general feeling of the meeting at the government's failure to contact the local Farmer's Institute concerning the location of the Illustration Station which will be on the Van-Stolk Farm, west of town.

The local Institute intends making representation to have the district convention in Terrace to coincide with the fortieth anniversary of the local institute.

Zoning Bylaw into Effect—Red Cross Drive Falls Short

At a meeting of the ratepayers of the district, held in the Odd-fellows Hall on Wednesday evening last, the Zoning by-law was discussed and ratified and will go into effect immediately.

For the first time, the local Red Cross canvassers have fallen short of their quota. The objective was \$1400 and, at present, the donations total \$1099.

Carl and Ellen Richmond came in on Tuesday's train from Burns Lake to spend a few days with their grandmother, Mrs. Maxim.

Peggy Smith was operated on in the local hospital for appendicitis and is doing well now.

Charles Adam returned from the south on Thursday morning's train, having spent a month there following illness.

Only the NEW 1950

C.C.M.

GIVES YOU All these EXTRA Features...

RESILOBRAZED
Exclusively C.C.M. . . . a newly-developed system of low temperature brazing that does not crystallize steel. Hence the new C.C.M. frame is lighter . . . stronger . . . safer . . . more resilient. You enjoy the new C.C.M. Cushion-Comfort Ride.

BONDERIZED
Every C.C.M. frame is first treated with Bonderite, the quality corrosion-resistant base for enamel. Then high-grade gloss enamel is baked on by the famous C.C.M. "slow-bake" process. The result is a hard, glossy finish that will not rust even when chipped or scratched by accident. C.C.M. beauty is permanent!

PRECISION CASTERED
The curve of C.C.M. front forks is a precision curve which, with the angle of the framehead, is designed to create perfect swivel-balance in the front wheel. This action assures you easier, safer, more sensitive steering . . . C.C.M.'s famous "Straight Line Drive".

✓ Check these Additional Exclusive C.C.M. Features before you buy your bicycle

- ✓ 4-POSITION REVERSIBLE HANDLEBAR POST: Allows for greater and easier adjustment. Permits erect riding position when needed. Single bolt adjustment. Not necessary to change hand brake levers where used. Exclusive on light weight models.
- ✓ ONE-PIECE C.C.M. GIBSON PEDAL: Longer wearing. A smooth-spinning, perfect-fitting, light-weight pedal with non-slip rubbers held securely in one-piece aluminum frame. Exclusive on some models; optional on others at slight extra cost.
- ✓ C.C.M. "Hercules" COASTER BRAKE: Positive brake control plus frictionless free wheel assures easier, more enjoyable cycling with maximum safety. New 3-point bearing actually increases coasting distance by more than five times.
- ✓ MORE THAN 3,000 FRIENDLY C.C.M. DEALERS ACROSS CANADA: All qualified to scientifically fit your C.C.M. bicycle to you . . . all equipped to serve you with genuine C.C.M. parts and dependable bicycle maintenance.
