Army Drive Is Success

L. M. Felsenthal, chairman of
the 1949 Red Shield Drive, an-
nounces that the response from
Prince Rupert, Port Edward,
Alice Arm, Stewart, Cassiar,
Terrace and points between has
this year resulted in the gratify-
ing total of \$3,180 being raised
for the war chest of the Salva-
tion Army. The objective was
\$3000.

A Tag Day held on Saturday
was the final effort in connec-
tion with this year's Appeal and
the sum of \$290 was realized.

G. R. S. Blackaby, the treas-
urer, points out that, with this
fine total in 1949, some of the
gap has been closed between
what is raised for the Salvation
Army war-chest and what re-
turns to the area from that
same chest. In the current year
headquarters of the Salvation
Army has sent to Prince Rupert
some \$6,400 to carry on the work
of the local corps, the Girls'
Lodge, welfare operations, na-
tive work supervision, and the
many other tasks that the Sal-
vation Army is asked to do.

You, too, must be on your toes to safeguard your earnings. YOU
CAN'T if you are "irregular"—often caused by lack of bulk food
in the diet.

Post's Bran Flakes supply the natural bulk you need to help
keep food wastes moving promptly—help you retain vim and vigor.

Enjoy wholesome wheat nourishment too—Post's Bran Flakes
are made with other parts of wheat.

Appetizing as a cereal. Just as tastily effective
when made into light, tender bran muffins. Follow
recipe on package. Two sizes: large or
regular. Insist on Post's Bran.

School for Tomorrow

The newspaper boy . . . the boy who delivers your
papers . . . is a typical Canadian boy. He is the business
man of tomorrow. And as a carrier, he learns those lessons
which will prepare him for a successful future.

Carrier Competition

Starting on October 3 the Daily News is sponsoring a
carrier competition with a bicycle as first prize and many
other valuable cash prizes. The boys will be awarded points
for obtaining new subscribers for dependability and for
efficiency in collections. So any help that you can give your
carrier will be appreciated by him and he in turn will try
to serve you . . . his customer . . . to the utmost of his
ability.
