The appeal was carried to the Privy Council by the Canadian Federation of Agriculture and the Attorney-General of Canada against a judgment in margarine sale and manufacture being declared a provincial matter.

News of Francois Lake

The Francois Lake ferry was off schedule for several days last week while the wharves were being repaired at Southbank and Northbank.

Junior Forest Wardens in this district are Orville and Laurence Loveseth, James Partington and Keith Reed.

The projector and films which the Parent-Teachers Association hired for use by the Senior School have been returned. These films were shown in connection with school work in the school by Mr. Reed and were appreciated by the pupils who not only learned from the films but how to handle the projector as well.

There was much activity around both schools here during the last day as the pupils under the direction of the teachers, thoroughly cleaned and tidied up the school rooms.

Fred Gardner has moved into the J-P Ranch where Mrs. R. K. Jones used to live and which she still owns.

Mrs. Andrew Walker visited her son John, and Jean and small Sharon for a few weeks recently. She lives in Chilliwack.

Mrs. Peebles, Mrs. Snyder, Mrs. Routley, Mrs. [illegible] Partington, Mrs. Holtz, Frances Corliss attended the District Women's Institute convention held at Round Lake Hall recently. Hans Hamre and Bruce Snyder drove the ladies and all reported having had a most enjoyable day.

Mrs. Peebles left for Kamloops with W. Gibson who will bring his family back when he returns.

Rain is badly needed, although the warm sunny days are very pleasant.
