HOW CAN I ???

By ANNE ASHLEY
Q. How can I make a better-than-ordinary pie crust?
A. By adding the yolk of one egg to the water. The yolk of an egg beaten lightly, with two to four tablespoons of water, should be used for a double-crust pie. The crust will be still better if 1/2-teaspoon of baking powder is added to the flour.
Q. How can I prevent the new clothesline from tangling?
A. Boil it for about 30 minutes

before using it, and it will not stangle so easily, will wear much longer, and will not stretch.
Q. How can I clean oil paintings?
A. Oil paintings can be washed with warm milk and water, rubbing very gently, then drying without rinsing.

MIXED LEAGUE, CITY'S BIGGEST, STARTS ACTION

The biggest of the organized city bowling leagues, the Mixed League, started its schedule at the Rupert Bowling alleys last night. Many new bowlers are interspersed with last year's veterans and interest is keen coupled with praise for the new alleys which eventually will handle the complete league on Wednesday evenings.

As handicaps will not be available till after every team records their first games, many of the games were rather one-sided but still the first night was enjoyed by all present.

On top of the heap last night were three teams with four points, Manson's, Pioneers, Headpinners who rang up victories from Noble & Wick, Booth School and Conrads respectively.

Manson's powerhouse team took all the night's honors as far as high scores are concerned with Bertha Dunbar holding high ladies single and high ladies 3 games totals of 287 and 641. Jack Paul of the same team took high men's single with 241 and total points of 694.

An executive meeting has been called for Sunday evening to deal with questions of spares, rules of play, start times of all games, penalties, etc.
