Santa Calls At Fire Hall

Santa Claus visited the Fire Hall this Christmas, filling an appointment there Sunday night much to the delight of thirty "little people," to say nothing of a like number of adults, all of whom had been kept informed of the whereabouts of the jolly old man by radiotelephone.

Santa was in fine form and fairly "dancing" with good cheer as he generously distributed presents and sweets to the children. After he had gone the fire laddies proceeded to fill the youngsters "up to the top."

During the proceedings Sgt. L. A. N. Potterton entertained with an acceptable program of short talking picture subjects.

Guests of honor included Mayor Arnold, Former Chief and Mrs. H. T. Lock and Sgt. Potterton.

MONTREAL.—It is an old joke in the obstetrical profession that births always interrupt any gathering of doctors. But the other night 43 members of the Montreal Obstetrical and Gynaecological Society got together and only one doctor was called out all evening.
