IT WON'T BE LONG NOW!—School vacations are beginning for the summer months. Scenes like this will be duplicated all over the country. These boys can't get out of school too quickly when the long holidays start and they can fish, swim and loaf as they please.

Timely Topics from Terrace

Mrs. C. R. De Kergommeaux, Terrace Reporter

The Knox United Church Sunday School picnic was held last Tuesday afternoon at Braun's Island. The small children were were taken there by car and truck, many of the mothers going too. Lunch and ice cream were served to the youngsters and all joined in the games and races. They all returned to town after a thoroughly enjoyable afternoon.

Mrs. C. L. M. Giggey and infant child returned to Terrace after an absence of several weeks in Vancouver where the baby has been in hospital for surgical treatment on his hand. Accompanying her aunt was young Ilona Brooks, daughter of Mr. and Mrs. Stanley Brooks, former resident of Terace, who will pay an extended visit here.

W. Chesner and daughter, Jean, who left Terrace late last fall, have returned this week and are considering making their home here again.

Mr. and Mrs. Murray Skinner of Ashcroft drove into Terrace on Friday afternoon for a visit with the latter's parents, Mr. and Mrs. R. McCabe.

Mrs. T. Kells arrived from Vanderhoof on Tuesday to spend a short holiday with her son-in-law and daughter, Mr. and Mrs. Emil Haugland.

Thursday night's meeting of the Hospital Auxiliary was held in the nurses' lounge with Mrs. D. G. Little presiding. It will be the last meeting before September 22nd. A letter was read from Miss Jack, superintendand of Outpost Hospitals thanking the auxiliary for the gift of plants for the hospital grounds These were what were left over from the plant sale in May. The sale had been very successful and Mrs. Osborne was given a vote of thanks for her work in connection with it. She had made over her objective of $40 and she thanked all those who had helped her and those who had donated plants. Mrs. Little gave an explanation of the Blood Donor Clinic and several canvassers volunteered their services to seek blood donors. The auxiliary's tea and sale will be hald at the Oddfellow's Hall on October 8, and a card party will be held in the evening. There will be a rummage stall, homecooking table and babies' table at the sale.

TIMBER SALE X45714

SEALED TENDERS will be received by the Minister of Forests at Victoria, B. C., not later than 11:15 a.m. on the 23rd day of August, 1949, for the purchase of Licence X45714, to cut 11,701,000 f.b.m. of Hemlock, Balsam, Spruce, and Cedar on part of Lot 451, west shore of Klidala Arm, adjoining the north east and south boundaries of Indian Reserve No. 4, Range 4, Coast Land District.

Six years will be allowed for removal of timber.

IS IMPRESSED WITH NATIVES

Mrs. A. E. Butterworth Back in City From Masset

After a two weeks' visit to Massett, Mrs. A. E. Butterworth of Croydon, England, who has long interested herself in the missionary work of the Woman's Auxiliary of the Church of England, is back in Prince Rupert. She arrived from the Queen Charlotte Islands on the Coquitlam. At Masset she was the guest of Mrs. Norman Green. She visited with the W.A.'s both at New and Old Masset and was much impressed with the work the native women were doing. Incidentally, they presented her with a handsome carved silver bracelet.

While here Mrs. Butterworth is the guest of Mrs. J. B. Gibson at Bishop's Lodge. Before leaving this area she plans on visiting Metlakatla and Kitkatla and will then proceed to the interior, visiting Hazelton, Smithers and Burns Lake enroute to Jasper and Vancouver. Later in the summer Mrs. Butterworth will return to her home in England via the Panama Canal aboard a Holland-American Line motorship.

Mrs. Butterworth, among her other activities, is secretary of the Northern British Columbia News, a church periodical which was started by the late Rev. J. B. McCullagh of Aiyansh and which is still periodically printed in the Old Country.

ARSON AT KELOWNA

KELOWNA—A new Roman Catholic Church at nearby Rutland was burned to the ground in a series of five fires near here Sunday and Fire Marsal Fred Gore labelled it as "the work of arsonists." Also demolished was the irrigation district office at Glenmore, a hay barn and 10,000 apple boxes. Total damage is unofficially estimated at $50,000. The fifth fire damaged a Canadian National Railways high bridge between Kelwona and Glenmore. Beer bottles, filled with gasoline and fuses, were found near the bridge.

ANOTHER SIDE OF THE CHINESE WAR — Epitomizing the plight of China's civilian population caught in the fierce civil war between the Chinese Nationalist government and Chinese Communists is this teen-age girl. She is sitting disconsolately on the pier at Shanghai, hoping against hope that she can get a place on one of the boats taking refugees from the city away from invading Communist armies. The bundles she sits on represent all her worldly possessions.
