Will Springfield provide the International Baseball League with another great competitive club which can challenge Montreal Royals and Toronto Maple Leafs? That's what Canadian baseball writers are asking now that the moribund Newark Bears franchise has been shifted to the Massachusetts city. The Bears were owned by New York Yankees of the American League and during the '30's provided some of the greatest minor league clubs ever to run out on a diamond. Springfield is owned by Chicago Cubs of the National League, a club which long has needed sturdy farm support.

Dink (Montreal Gazette) Carroll reminds his readers that Springfield Ponies played in the International League in 1893 — and that their franchise cost a microscopic \$3,000. "A buck must have gone a long way in those days because the monthly salary limit for a club was \$1,500 and the maximum monthly salary for a player was \$150," Dink writes. Today, the salary limit for a club is over \$10,000 and there is no ceiling on a player's salary.

There were some other quaint customs prevalent in the league at that time. For instance visiting clubs had an option of a flat \$100 guarantee or 40 per cent of the gate. Now if a visiting club is rained out it receives a cheque for \$200. Dink ends his historical remarks on Springfield by saying: "Springfield operated an I.L. franchise for eight years before allowing it to lapse in 1900. But it always had fair ball clubs and won a pennant in 1895. Only Baltimore with a tremendous plus advantage built up during seven straight pennant-winning years under Jack Dunn from 1919 through 1925 has a better all-time won-lost.

Basketball— Rainmakers Big Night

Trounced Brownwoods to Take Senior Second Place— Juniors Win

Bo-Me-Hi moved back into second place in the Senior Basketball League last night by scoring a thumping victory over Brownwoods who dropped into the third and last slot. Bo-Me-Hi outscored the shoemen in every quarter taking a 17 to 13 lead in the first stanza, 34-28 at the half, 50-36 at the three-quarter way mark and winning with a smart 67 to 50 lead. It was a rugged game although only 16 personals were called on the students and 18 on Brownwoods. High School converted exactly half of their foul shots and Brownwoods did even better, making 13 of 22 possible.

The school team played a fast-breaking game, used their zone defence effectively and, although Spring with 21 and Carlson with 16, were high scorers, every team member contributed, equally in setting up the plays that made these scores possible. Danny Bill with ten points to his credit, played an aggressive game, making nearly all his points on rebounds. Moore and Scherk were good for seven each and played a smart game on the defence. Coach Jack Evans gave the second-string men plenty of opportunity to play and they contribute more to the team on each appearance.

For Brownwoods, Shier led the scoring with 13, followed by Pierce, Lavigne and Bill, all with ten to their credit. Alex Bill defied all the laws of average to sink five from centre floor, equalling the score of his younger brother on the Bo-Me-Hi squad. Sunberg left the floor in the final quarter, getting the nod from Referee Slatta for a flagrant foul, which was also his fifth.

Bo-Me-Hi—Spring 21, Carlson 16, Scherk 9, Webster 2, Moore 7, Kristmanson 2, Sharpe, McChesney, Bill 10. Total 67.

Brownwoods—Gurvich 3, Pierce 10, Lavigne 10, Shier 13, Sunberg 1, Bill 10, Thompson 2, Owens 1. Total 50.

INTERMEDIATE

A Fashion-Merchants game can usually be counted on as a close contest but this was not so last night when Fashion swamped the Merchants by a 38 to 22 score. Merchants led 12 to 10 at the half, holding Fashion down to 2 lonely points in the second quarter. In the third quarter Fashion reversed the procedure and scored 14 holding the Merchants at 3. From there in it was a Fashion show all the way as they doubled Merchants fourth quarter score to run away with the game. Hill, for Fashion, was tops in scoring with 12, followed by Jim Internela with 9. Gill and Haugan each scored 6. Boulter, with 8 and Walsh with 6, led the pack for Merchants. Merchants' play was featured by their lack of fouls, only four being called. Fashion also played a clean game getting the nod from Referees Holkestad and Slatta for nine infractions.

Merchants—Anderson, Boulter 8, Christoff 2, Dumas 4, McChesney, Marshall, Walsh 6, Davidson, Currie 2. Total 22.

Fashion—Gill 6, Haugan 6, Hebb 1, Hill 12, Internela 1, Lien 2, Watson 2. Total 38.

LADIES

Peoples took a 19 to 16 call over Dom's in this division. The game was a low-scoring affair, although the girls did try to play a faster breaking game than usual. Betty Hamilton led the scoring, making 8 for the losers Jackie Budinich for the winners, scored 6. Referees Hartwig and Large called 9 fouls on Peoples and 6 on Dom's.

Peoples—Budinich 6, Bussey 2, Dumas 2, Howe 4, Thain 5, Pottle Total 19.

Dom's—Currie 2, Hamilton 8, Kildal 1, Shier, Williams, N Youngman 2, L. Youngman 3 Paul. Total 16.

JUNIOR LEAGUE

High School won two victories on the evening's play, their Junior team taking a decisive one over the Scouts by a 27-19 score. Young Dick Nickerson led the way with 10 points for the school team. The winners made only 5 personals just under half the

FEELS THE SAME IN ANY LEAGUE—The Swedish Red Cross and Berlin physicians are engaged in another battle of Berlin. This time against tuberculosis. Using as the main weapon a general vaccination of Berlin children up to the age of 18. But whether the needle is given by a Swede, German, or Canadian, the effect on the young Berliners seems to be about the same. Here a Swedish doctor and nurse draw a prolonged howl from a young man who is taking the dose in his thigh.

Small Electric Appliances that do a BIG JOB

No woman whose home is equipped with modern electrical appliances would dream of trying to get along without them. Convenience, speed, efficiency, ease-of-operation and economy... these are some of the qualities that women have come to expect — and always get — from their electric servants. An automatic iron, an electric tea-kettle, a toaster — these are only a few of dozens of indispensable electric aides waiting, and ready, to serve you.
