BASKETBALL— Beaten at Metlakatla

Two Local Basketball Teams on Week-End Excursion

Two Prince Rupert basketball teams—Stone's intermediate and North Star juniors—invaded Metlakatla Friday evening for a series with the home teams there and both Rupert squads went down to defeat by the scores of 25 to 16 in the Junior game and 58 to 33 in the intermediate.

Fine hospitality was shown to the visitors by the local association. Alvin Leask, skipper of the Alrita, provided the transportation.

In the Junior game, North Star were outclassed by the heavier and speedier opponents. The small floor was a handicap for the Rupert team while the home team players were fast breaking and snooting from all angles with accuracy.

In the second game, Stone's held their own for the first half, combating the Panthers fast attack with one of their own. The score at half time was 29-22 for the Panthers. The second half was a runaway for the Panthers. Their shooting was unbeatable as they scored a barrage of baskets which went unanswered by Stones.

Individual scoring:
Junior
North Star—Johnson 4, Walsh, Simonsen 4, Ketcheson, Currie, Sedgwick 4, Sather 2, Hills—16.
Panthers—C. Nelson 18, E. Ryan 14, R. Wilson 16, S. Nelson 2, T. Ryan 6, T. Wilson—58.

Intermediate
Stones—McChesney 9, Smith 2, Dumas, Young 7, Robinson 4, Wesch 2, Horne 2, Wolfe 7—33.
Panthers—F. Auckland 10, A. Leighton 5, T. Ryan 4, J. Wilson 3, C. Nelson 16, C. Leask 14, B. Nelson 2, Robinson, E. Leighton, B. Leask 4, H. Leighton—58.

BOXING CARD COMING UP

A boxing card at the Civic Centre probably will be in the offing within the next month or so following a meeting tonight of the Canadian Legion boxing club where the training and promoting groups will compare notes on material available.

Joe Ward, who has been training a group of young fighters at the Armory for the last few months, believes that he has sufficient talent lined up for some good encounters and he will reveal his matchmaking plans at the meeting.

Russ Gatzke, who made an appearance in local fistfight circles recently, also has some fighters on call and between him and Ward, some interesting things should develop.

Gatzke is said to have a line on an effective middleweight named Hector Barstow, who made a name for himself in the east, as well as a couple more who can provide interesting competition for the fans.

Ralph Smith returned to the city on the Camosun last night from a brief business trip to Vancouver.

Canadian Team Is Being Bolstered

WINNIPEG —The Canadian Amateur Hockey Association today voted approval of the decision of its officers to reinforce the Sudbury Wolves, Canadian representative at the world's hockey competition at Stockholm next month, by two or three players.

JEANNE MATHEWS IS EASY WINNER

TRAIL —Lovely Jeanne Mathews skimmed effortlessly over this smelter city's arena Saturday night to triumph for the second year in the Western Canada figure skating championships.

The slender 19-year-old miss from West Vancouver, who is expected to take the Dominion final at Ottawa next month, spiralled to victory in the senior ladies' competition.

Last year Jeanne placed second behind Barbara Ann Scott in the Canadian finals.

60 YEARS OF ACCOMPLISHMENT

1889  1949

This is the type of street car used in 1889. It ran on iron rails spiked to long timbers. Today street cars are bigger, faster, safer, more comfortable. Nickel has helped to make them so. Their frames, springs and many mechanical parts are made of nickel alloy steels to provide toughness, long life, and great strength with light weight.

How Nickel Benefits Canada

Since more than ninety per cent of the Nickel produced in Canada is sold to the United States and other countries, it brings a constant flow of dollars back to Canada. In fact, Canada's Nickel industry is one of our chief sources of U.S. dollars so essential at the present time to maintain our foreign trade and make available products not produced in this country.

These dollars help pay the wages of the 14,000 Nickel employees, and help provide the dollars which make it possible to pay millions in freight to Canadian railways, to buy timber, steel, coal, machinery and supplies amounting to many millions each year. These millions, flowing into all industries through the length and breadth of Canada, help create jobs for Canadians.

BIG NIPAWAN 'SPIEL ENDS

NIPAWAN —Twenty-four hundred inhabitants of this northern Saskatchewan town settled back to customary routine of the day after a week in which they enjoyed Nipawan's state as the curling capital of Canada.

Originator of the automobile bonspiel, Nipawan ran off the third such competition with 1949 laurels going to the rink from Fin Flon, skipped by Pete Hune, which beat out Willard Cleveland's rink from Fairlight, Saskatchewan, in the best of three play-off after two games had been split.
