## 3LACKWOOD on BRIDGE

By EASLEY BLACKWOOD

Faulty Co-operation May Wreck Defense

Mr. Dale elected to open the bidding with one club in today's deal, planning to get to game at no trump and hoping to stop a club lead.

This risky bit of deception turned out to be helpful; but the deciding factor was not this but the lack of co-operation between the defenders.

Mr. Abel, with an almost worthless hand and no sure entries, would have done better to try to hit a suit in his partner's 5.25 hand-spades, for example, But instead he woodenly led the fourth best card from his own best suit, diamonds. Mr. New 1.80 put up the king and Mr. Dale .10 won with the ace.

ONE OF FEW Hollywoodians to admit that it has rained heavily in recent weeks in the sunny paradise is screen star Jane Russell. When Jane showed up in this umbrellatype rain hat, a studio press agent couldn't resist claiming that she was out looking for "The Big Rainbow," which happens to be the title of her new picture.
