SERENO VANDINI, a farmer in Ferrara, Italy, feeds an oddity of the horse world, a two-legged foal born on his farm. A veteri- nary found the animal otherwise perfectly fit. It can move around by hopping kangaroo fashion. Vandini plans to sell the luckless horse to a circus.

Blast Cuts Albemni Power

ALBERNI, B.C. (P)—Some 15-000 residents of this northern Vancouver island town were without power for six hours during the week-end following an explosion and flash fire at a power substation.

The sub-station steps down 132,000 volts from the John Hart dam for distribution to the Alberni valley. Cause of the blast was not immediately discernible, but no one was injured.

West Coast General Hospital switched to the gasoline-powered auxiliary lighting system and cooking was done on a propane range.
