> The people of Bathford have been clamoring to have the big rats rounded up since farmers discovered a dead one last week killed by dogs in a field near Sally-in-the-Wood. The villagers have vowed they won't go near the wooded vale until it's clear of them.

Villagers claim to have seen coypus in the neighborhood before the dead one was found. A motorist hit one at dusk recently and saw its "red, stary eyes" shining as it scuttled off

the road into the woods. Municipal authorities have windmill using two 80-foot pro- set "traps heavy enough to hold pellers was demonstrated here, a bear" all along the river It may be used to supply elec- banks near Sally-in-the-Wood power-short areas in hopes of catching the coypus. other sources of But so far the traps have stayed
