## BLONDIE

## BLACKWOOD on Bridge

By EASLEY BLACKWOOD

Mr. Muzzy Misplays Hand,  
But Mr. Champion Explains

Miss Brash led the king of hearts against today's four spade contract. Mr. Muzzy obligingly went up with dummy's ace and Mrs. Keen ruffed. Later, Mr. Muzzy had to lose a heart and two diamonds for down one.

Mr. Champion was more disgusted than usual. "How can you possibly kick it away like that, Muzzy?" he roared. "It's so simple to play the hand safe for four-odd."

"Can I help it if the very first trick gets ruffed?" asked Mr. Muzzy angrily.

"In a word—yes," Mr. Champion replied. "Didn't you hear Miss Brash open the bidding with three hearts? What do you think she had in hearts—four to the king-jack or something? 'You know she has at least six and therefore it's not at all unlikely that she has seven. Just duck the first heart lead.' 'She'll just lead another heart,' said Mr. Muzzy stubbornly.

"Duck that too," snapped Mr. Champion.

"Duck twice?" asked Mr. Muzzy horrified. "You'll have me down three or four before I even get in."

Mr. Champion was almost speechless. But not quite. "Look, Muzzy," he said in a tightly controlled voice, "all I'm asking you to do is to keep ducking heart leads until you can ruff in your own hand. Save the ace of hearts until you have had a chance to get trumps out. 'The ace of hearts doesn't necessarily have to win the first trick. It counts just as much if it wins the last trick. But the point is it must win a trick if you're going to make your contract.'"

Mr. Champion was right as usual. Mr. Muzzy should have ducked the first two heart leads and ruffed the third one in his hand, preserving the ace on the board.

He could then have picked up trumps, entered dummy with the 10 of spades and discarded a diamond on the ace of hearts. Thus he would have lost only two hearts and a diamond.

## Pep Beats Blair

FORT WORTH, Tex. (P)—Willie Pep, perpetual motion man from Hartford, Conn., out-pointed young and willing Jacky Blair of Dallas in a 10-rounder here Wednesday night.

## SPORTSMAN'S DIGEST

WET FLY TIPS FOR BEGINNERS...

FALSE CASTING (WHIPPING A FLY LINE BACK AND FORTH WITHOUT THE FLY TOUCHING WATER) DRIES A FLY QUICKLY. DRY-FLY ANGLERS USE IT TO KEEP A FLY BUOYANT. IT MUST BE AVOIDED WITH WET FLIES SO THE FLY REMAINS WET TO SINK AS RAPIDLY AS POSSIBLE. DON'T USE FLY-FLOATING PREPARATIONS ON WET FLIES FOR THE SAME REASON.

A FAST-MOVING WET FLY USUALLY MEANS A MINNOW TO FISH. A SLOW-MOVING WET FLY MORE CLOSELY RESEMBLES AN INSECT. IN FISHING FLIES, REMEMBER—IN SECTS FILL ABOUT 90% OF MOST GAME FISHES' DIET.
