## MAJOR LEAGUES Cleveland Winning Again

**Defeat White Sox—Cubs Trim Cincinnati**  
NEW YORK (CP)—Cleveland shook off its St. Louis Brownie defeats and got back on the winning path Friday by scoring three runs in the last of the ninth to whip Chicago 5-4 in the only American League action.

After Chicago broke the 2-2 tie with two in the ninth, the Indians slammed back with three.  
Harry Boson's double drove home two runs and Luke Easter's fly with bases loaded, registered a cinch.

**NATIONAL LEAGUE**  
The Chicago Cubs, almost as surprising as the Brownies in their own league, turned on extra base power to trim Cincinnati's Ewell Blackwell 7-3. The National League win boosted the Cubs' season record to six wins and two losses, only a game behind the league-leading Brooklyn Dodgers.  
Wally Westlake, Steve Bilko and Stan Musial led the St. Louis Cardinals to a 6-4 victory over Pittsburgh. Each had three hits, accounting for more than half the Cards' total off Joe Muir and four others.  
Rain washed out the rest of the big league program including a big night game between

## U.S. Seeks Cup Chief

By GAYLE TALBOT  
NEW YORK (AP)—Almost the best bet in the sports future book for the coming year is that the U.S. tennis leaders will ask Walter (Cap) Pate, the Wall Street lawyer, to please give up his bridge for a couple of months and lead the somewhat shattered American Davis Cup forces against the Australians.

The next best bet is that the lively little barrister though now over 70 and out of harness since he captained the victorious U.S. team at Melbourne in 1946, will consent to give it another whirl if he is asked just right. Reason we know is we asked him.

First answer we got was: "No, I just couldn't do it again. It's too far, and the strain laid me up for a week after the last one."

There followed a considerable conversation about the problems facing the U.S. cup committee, including the selection of a captain. Pate conceded they were fierce. We then ask him if he would be willing to go to Adelaide next winter as second in command, a sort of captain emeritus.

"Absolutely not," Pate snapped. "If I go I'll have to be in complete command and I'll insist that we get over there at least six weeks before the challenge round so we are thoroughly acclimated. I wouldn't go under any other conditions."

In other words, the canny old strategist who brought the big cup back from Britain in 1937—with a bit of help from Don Budge—was who repeated nine
