Mountie Makes Dubious of Olympic Team Oslo Games

REGINA (CP)—A Mountie will paddle for Canada at the Olympic Games in Helsinki, Finland, next summer.
Jim Nickel, 21, a serious young man at present training in Regina for service with the RCMP, was named last summer with his partner, Bill Bridgen, 35, to represent Canada in the 10,000-metre double-blade tandem.
Canada's Olympic paddling team is expected to have a membership of eight.
Constable Nickel, a native of Winnipeg, said that he had qualified in three events but was allowed to enter only one.
The duo will race in a special 24-foot-long kayak imported from Sweden.
Since the summer of 1949, Nickel and Bridgen have teamed up in paddle events and have won steadily.
Nickel played football in Winnipeg during high school, played hockey for the Winnipeg Black Hawks and spent two months in the 1949-50 season.
He joined the RCMP last November with special permission from the commissioner to take leave of absence after his training in order to train for and attend the games.
Plans call for the constable to fly to Helsinki July 18. He will have about 20 days in which to train in Finland. His event will be run off July 28.

The federal government has agreed to pay his way from Montreal to the games and back, and will assume his living expenses.

Young Rupert Boxers Travel To Interior

Four young Prince Rupert boxers travel next week-end to New Hazelton to compete in a boxing card arranged by the New Hazelton Elementary and High School, trainer of the Boys' Boxing Club, Martin Saunders, announced today.
It will be the first out-of-town trip for the youngsters. They are Billy Saunders, eight, 68 pounds; Billy Smith, 10, 70 pounds; Dick Bury, 13, 80 pounds, and Art Turcotte, 14, 106 pounds.
Young Saunders and Bury both appeared in exhibition at the Eik's Boxing Club here last November and drew high appreciation from a packed house.
Training of the youngsters, begun by G. W. Watmough, has been taken over by Saunders who works out with the boys twice a week. He feels his boxers will make a "good" showing at New Hazelton, a newly formed club which is trying to raise money for a local museum of Indian art.
Expenses of the trip will be borne by the local club, whose only sponsor is its trainer. Saunders says he would accept financial support of any group or individuals interested in promoting a young boys' boxing club here.
Should his youthful pugilists return victorious, says Saunders, he wants to enter them in the March Silver Gloves competition at Vancouver.
