Anfields Honored At Cathedral

Two well-known figures in Prince Rupert were feted last night at St. Andrew's Cathedral, when men of the Cathedral Men's Club tendered a dinner in honor of Mr. and Mrs. Frank E. Anfield, who will be leaving the city shortly to take up residence in the south.

About fifty members of the Men's Club, the choir of the Cathedral and parishioners attended the dinner.

Peter Lien, organist and choir leader, spoke in recognition of Mrs. Anfield's devotion to the church, and presented her with a long play record of Bach and Handel Arias as sung by Kathleen Ferris. A record company gift certificate was presented to Mr. Anfield by the Rev. Canon Basil S. Procter, who praised the work of Mr. Anfield over many years in the church.

In replying, Mr. Anfield paid tribute to the Cathedral and its parishioners, saying, "the men must draw together in its support, and the parishioners must move forward with their church."

Also honored guests at the dinner were the Rt. Rev. Horace G. Watts, Bishop of Caledonia, and Mrs. Watts.

St. John Crews To Man Games

VANCOUVER @—More than 300 St. John Ambulance volunteers will be drawn from across Canada to staff the British Empire Games July 31 to Aug. 7.

More than two-thirds of the workers will be drawn from British Columbia, but it was thought Thursday that about 50 would be on the scene from points as far away as Montreal.

Provincial superintendent George Edwardson said the association has been "training special crews for several months" to tackle the "biggest job" ever handled in B.C.

FOR YOUNG MEN OF 16

A Fine Training Plan

MILITARY TRAINING • CAREER OPPORTUNITIES
TRADES APPRENTICESHIP • FORMAL SCHOOLING

In its vital job of guarding Canadian freedom, the Army has a continuing need for highly qualified soldiers and soldier tradesmen. To help meet this requirement, the Soldier Apprentice Plan was established.

Combine thorough trades training, schooling, sound discipline, with understanding of the spirit of youth and you have the elements of this Canadian Army's Soldier Apprentice Plan for young men of 16. The Soldier Apprentice training is designed to enable capable young men to gain promotion to higher ranks in the Army.

The young men who are accepted for Soldier Apprentice training receive:

- thorough trades training in one of 16 military trades,
- the academic training necessary to learn a trade and to gain promotion,
- the general military training of the Canadian soldier.

Soldier Apprentices are eligible for all Army benefits, including 30 days annual leave. They receive half pay of a private soldier recruit while 16 and on their 17th birthday they receive the full pay.

To be eligible, the young man must be qualified at least for high school entrance. He must have attained his sixteenth but not his seventeenth birthday.

Training begins in September and applications should be made now. After interviews, suitable applicants will be enrolled with instructions to report for training on September 12th.

To obtain an interesting booklet and full information on the Soldier Apprentice Plan, write, phone or visit the Army Information Recruiting Centre nearest your home.
