

Mansons and CCC Win Cage Openers

Manson's 51, Gordon & Anderson's 34
CCC 47, Terrace 26

Manson's Omegas and Columbia Cellulose 300 Club emerged as winners in the two-game card featured for the opening night of the Prince Rupert basketball season.

Manson's maintained a steady lead throughout all four quarters of the first game to trim last year's champions Gordon & Anderson's 51-34 in the first Senior B league game. CCC grew stronger every quarter to trounce a Terrace squad 47-26 in an exhibition game.

Chairman of the Prince Rupert Basketball commission Fred Jones made the opening remarks, thanking the fair-sized crowd for its patronage and introducing cage commissioner "Slim" Davidson, high school representative on the commission.

"Since the majority of our players are drawn from the high school it is only fitting that a high school representative toss out the first ball," Mr. Jones said. The accuracy of Manson's Ray Spring, Art Olson, Danny Bill and Mickey Webster proved too much for the G & A who even when they reached scoring positions failed to hit the bucket. Minor Simundsen, G & A coach, watched his squad lose out time and time again under the Manson basket and watched last year's runner-ups make good many a floor-length break.

Danny Bill was the star for Mansons, sinking seven baskets and two free shots for a total of 16 points. Ray Spring with 12 points and Mickey Webster with 11 and Art Olson with 10 took care of the remaining Manson points except two netted by Don Hartwig.

G & A were weakened by the fact that Glen (Tiny) Carlson was at work and Rupe Holkestad had hurt his foot by stepping on a nail.

For G & A, Joe Davis, Jimmy Flaten and Ted Arney were the sharpshooters, each collecting 8 points apiece.

Simundsen's crew sank 6 of eight free shots while Bill McChesney's charges had five chances and scored on three.

Mansons led 11-9 at the first quarter, 23-17 at the half, and 39-26 at the end of the third.

The opening game was exceptionally clean, only ten fouls being committed, four by G & A and six by the winners. Flaten of G & A and Hartwig of Mansons

were the major offenders with three each.

Terrace's offering to this district's basketball was only impressive by its team's unwillingness to give up.

Coach of the Terrace rep team Bill Wellings was introduced by Fred Jones, who said the exhibition was a test game to see if the visitors were good enough to play in the local Senior B league.

However, only in the second and final quarters did Pop Pay's CCC squad look at all effective. The first quarter was tied at 6-6 and in the second stanza CCC outscored the visitors 11-4 to give a half-time score of 17-10. CCC only had a 10-9 edge in the third quarter but smartened up in the final canto to outscore the tiring Terrace crew 20 to 7.

CCC had their practiced plays down pat but they just didn't click until the last quarter. Terrace, with a few veteran cagers and no orthodox style, kept hammering away until they ran out of steam.

Don Scherk with 17 points and Marshall with 10 sparked the CCC victory while Chick Geisser with 9 and Larry Matthews with 5 were top point getters for Terrace.

Terrace committed 12 fouls to CCC's 11 with Matthewson and Sarich of the visitors and Sunberg for the Pulp Millers each getting three.

CCC sank 7 out of 16 free shots while Terrace bucketed 6 in 12 tries.

CCC—S. Scherk 8, D. Scherk 17, Thompson 1, Marshall 10, Christensen, Cameron 1, Dumas 5, Sunberg 5, Peterson. Total 47.

TERRACE—Patterson, Matthews 5, Sharon 3, Pedersen 4, Geiser 9, Sarich 2, Gillanders, Hampson 2, Rose, Matthewson 1, Total 26.

Argonauts Out Of Playoffs

By The Canadian Press
Western Interprovincial Football Union clubs, whose sad experiences against Toronto Argonauts in the Grey Cup final are legend, can relax. The defending cup champions are out of the picture this year.

The curtain on an in-and-out Toronto season was lowered Saturday at Ottawa when the Rough Riders, going from the straight T to split-T formations, swept Argonauts out of the Big Four playoff scene with a 13-4 triumph.

It was Riders' second victory in two weeks over a club that has been perhaps the greatest opportunist team in the Canadian game.

The victory, coupled with Montreal Alouettes' 31-18 triumph over Hamilton Tiger-Cats, left Argonauts out of reach of a playoff spot with only one game remaining in the 14-game schedule.

Eskimos Trounce Bombers

By DON HANRIGHT
Canadian Press Staff Writer
EDMONTON (CP)—

Edmonton Eskimos, relaxed and warm in their new heated dugouts in Clarke Stadium, scampered out in the frigid air Saturday night to whip the numbed Winnipeg Blue Bombers 25-7 in the first game of the best-of-three Western Interprovincial Football Union finals.

A bitter wind sent icy blasts across the snow-hardened field but on the Edmonton bench two big heaters, of the type used by the air force to heat aircraft engines in cold weather, threw waves of warm air over the Eskimos and two huge ducts carried the heat along the gravel-bottomed pen.

Meanwhile, Bombers were taking their breathers huddled under parkas and blankets on a similar uncovered dugout bench.

Edmonton football fans are wondering if it was this new heating system that got quarterback Claude Arnold and reserve quarter Ray Willsey so warmed up that their combined efforts on polished signal-calling stopped Bombers cold.

Negro scatback Rollie Miles, touchdown twin of the injured all-star halfback Billy Vessels, plunged over for two easy majors to spur an almost invincible Eskimo ground attack.

Rod Pantages, former Vancouver junior, subbed brilliantly for Eskimos' other all-star casualty, backfielder Normie Kwong. Pantages went over for the third Edmonton touchdown, and his accurate toe lifted seven punts, an average of 53 yards, and two of them resulted in singles.

End Neill Armstrong caught a five-yard toss across the line for the Winnipeg major with only a minute remaining and while Eskimo coach Darrel Royal was using an eager line of second-stringers. Bud Korchak converted.

The other Bomber point came in the first quarter when Miles was bullied back over the line after taking Jack Jacobs' long punt.

Quarterback Joe Zaleski couldn't manoeuvre his line through the flurry of Edmonton players who repeatedly charged the Bomber backfield from scrimmage.

Eskimos outran Bombers 204 yards to a meagre 43 second game will be played at Winnipeg Wednesday.

Ties With Rangers and Leafs Drop Wings Into Second Slot

By The Canadian Press
There is a natural temptation today to write down Detroit Red Wings, the National Hockey League's perennial champions.

Twice this week-end, Wings had to scramble for a tie against clubs that not even their best friends would rate on a par with the mighty Detroiters.

Instead of gaining on league-leading Montreal Canadiens, held to an even break by Boston Bruins, Detroit dropped into a second-place tie with Toronto Maple Leafs and have the Bruins breathing down their necks a single point back.

All this resulted from 2-2 ties against the Leafs and New York Rangers in which the five-time league title-holders never held the lead at any stage. Alex Delvecchio saved them in Toronto Saturday night with some six minutes' playing time left. Ted Lindsay cut it finer Sunday, tying it up with less than three minutes to go.

But there are signs that the Detroit situation isn't as unhealthy as it appears at first glance.

In their 13 starts this season the Wings have won six, lost three and tied four. That leaves them four points behind Canadiens, who have an identical 2-1 ratio of wins over losses and have played two more games.

The Detroit defensive average 1.38 goals a game scored against them is easily the best in the NHL. Rookie centre Earl Reibel and his famed line-mates, Lindsay and Gordie Howe, top the league scoring race, with defenceman Red Kelly close behind.

Ted Sloan and George Arrstrong were the Leaf marksmen Saturday night. Lindsay fired the first Detroit goal. In other action Saturday, the Canadiens beat Boston for the first time this season, 5-2, and New York edged last-place Chicago Black Hawks 3-2. The Hawks suffered their second home loss Sunday as the Leafs edged them 2-1. The Bruins blanked Montreal 2-0 at Boston.

Spokane Cuts Smokie Lead
Saturday, Kelowna Packers dropped a 6-2 decision to hosting Kamloops Elks and Penticton V's visited Vernon Canadians, bowing 5-1. Both were OSAHL games.

Over in the WIHL, the home-town again picked up all the marbles, Kimberley Dynamiters losing 7-4 to Nelson Maple Leafs and Trail Smoke Eaters wallowing 8-3 before Spokane Flyers Saturday. In a return fixture Sunday, Trail lost again, 4-1.

Standings: Montreal won 10, lost 5, tied 0—20 points.
Points: Howe, Detroit, 16.
Goals: Geoffrion, Richard, Montreal, and Peirson, Boston, 7.
Assists: Howe, Detroit, 11.
Shutouts: Sawchuk, Detroit; McNeil, Montreal; Henry, Boston; Rollins, Chicago, 2.
Penalties: Mortson, Chicago, 40 minutes.

52 Canadian Ambassadors of Goodwill

THE CANADA STORY is being told abroad as perhaps no other living nation's story ever has been told... told as only art, the universal language, can tell it.

When The House of Seagram commissioned the painting of 52 portraits of Canadian cities by distinguished Canadian artists and then dispatched those paintings by air on a 30,000-mile international tour, it was with the earnest hope that greatly increased understanding and goodwill toward Canada would follow.

There was little doubt that these graphic glimpses of the Canadian skyline and landscape would bring to people of many lands a deeper interest in Canada and a warmer feeling of friendliness for the Canadian people.

Today the Seagram Collection is barely half-way on its international tour—and the actuality is daily outstripping the most optimistic of advance estimates. Throughout Latin

America... in San Juan, Havana, Mexico City, Caracas, Rio de Janeiro, Sao Paulo, Buenos Aires... Canada, through Seagram's airborne art gallery, is Page One news. Not only at the time of the formal previews for leaders of government, industry, the professions and society, but throughout the seven-to-ten day public showings in each city the Canadian paintings and the cities they represent are major topics of interest in the news pages, on radio, and television, in everyday conversation.

As these Canadian ambassadors of goodwill leave Montevideo for Rome, Paris, London, Stockholm, Geneva and Madrid, more than 60,000 people already have studied the collection and carried home brochures reproducing the paintings in full colour. More than that, they have carried away vivid personal impressions of Canada as a great and growing country—a land of vast natural and industrial resources and remarkable human resourcefulness.
