## To Keep Services

Faced with a deficit of \$30,000 this year in operating costs of the Prince Rupert General Hospital, the hospital board has asked for a representative of the BCHIS rate board to make a complete study of the situation.

Board Anxious

Unless economies can be made or financial help received. Accident the hospital will have to reduce its services.

In reporting this today, R. G. Moore, hospital board chairman, said the management had done everything it considers possible to keep costs at a minimum and Adjourned still maintain efficiency. The Adjourned present staff of 99 is thought to be the least it can employ, although BCHIS makes provision for only 92.

Judging from the records of

other hispitals, the board considers that the standards of operation locally are well in line "The board is anxious to keep

gressive Conservatives had pro- not."

tell the United States it must insurance are slightly higher.

A further remand was asked by the prosecution when the case arising out of an accident Saturday, July 18, at the corner of Third Avenue and First Street, in which five persons were arrested, was heard before Magistrate W. D. Vance yesterday afternoon.

The Crown asked for the adjournment as several witnesses were still unavailable.

Due to the fact that several of the accused have to get back to work. Magistrate Vance set the next hearing for August 5. or earlier if convenient.

Out on bail of \$100 each are Kenneth Bruce Harris, charged with resisting arrest, driving while not holding a driver's licence and driving while his ability to do so was impaired: George Norman Turner, charged with resisting arrest, intoxication and driving while impaired; Vina Turner, charged with obstruction of a police officer while in execution of his Tait, charged with intoxication, assaulting a police officer; Andrew Derreck, charged with intoxication and assaulting a poice officer.
