the colored people of the whole
 world today are inclined to "see
 red," or even run amok, like
 Mau-Maus.

THE British Empire Games of
 1954 give Vancouver a won-
 derful chance to strike a death
 blow at this social crime of rac-
 ism.

Let every official and every
 Vancouver citizen go out of his
 way to make sure that every
 person who attends these games
 goes home to every corner of
 the earth testifying that this
 is one spot on earth where a
 human being is a human being
 for his own sake—and that
 there is racial equality, not only
 in hotels, but in the smiles, the
 hearts and the homes of all the
 people.

BABY'S COLDS
 Help Nature To Fight Them Off
 Medical Science denies there is any such
 thing as a cure for colds—only Nature
 herself can do it. So when baby's sniffles,
 or stuffy breathing warn you of a cold's
 presence—cooperate at once with Nature.
 See that baby is kept warm, gets plenty
 of sleep and take extra care that the
 bowels are thoroughly cleared of harmful
 wastes. To do this without upsetting baby's
 whole system and further weakening it,
 try Baby's Own Tablets. Mild, yet act
 promptly in getting rid of irritating ma-
 terials that make baby restless and feverish.
 One Nova Scotia Mother says: "My
 baby of 26 months caught a nasty cold so I
 tried Baby's Own Tablets and she threw
 the cold off quicker than ever before. I
 certainly am for Baby's Own Tablets from
 now on." Equally good for restlessness
 and peevishness resulting from irregularity
 at bedtime, for constipation, digestive
 upsets and other minor infant troubles.
