The meeting decided on complete reorganization of the association to provide increased services and benefits for members and the industry as a whole.

Top-priority will be given to continuation of the association's all-out campaign for construction by the federal government of a new fishermen's wharf in False Creek, Vancouver.

"A strong letter has been sent to federal public works minister Fournier requesting specific information and action on this long-stalled project," says Mr. Skarpnes.

"We have asked the minister to complete property negotiations with the Indian Affairs Department as soon as possible and to vote the additional \$625,000 needed for the development at the present session."
