**Trespassing**  
... With Sandy

Kinsmen Bill Bond has gone out of town for his annual vacation, but before departing he picked the winners of the club's Coronation contest...

A young man, who earlier this year became well known to the basketball fans—Roy Webber—was the closest of all in the 83 finalists who were asked to guess the combined weight of the 28 members of the Kinsmen Club.

Roy, who lives at 147 Fifth Avenue West, knew most of the club members, figured an average of about 170 pounds, then subtracted 30. His total was 436. The actual total weight of the members was 436.5 pounds.

Roy wins a round trip to Vancouver by CP Airlines and will have a car at his disposal for two days, through courtesy of Crawford Moore Travel Agencies. He plans to take his holidays in the last two weeks of August... so he'll be flying to Vancouver.

Second prize winner—Mrs. E. H. Christison—with a guess of 423 pounds, wins two round-trip tickets to Stewart.

Mrs. Christison figured on the basis of 169 pounds per person, added 100 and then changed the last two numbers. Her figure was 423.

Third prize winner—a trip to Ketchikan—was won by Mrs. Gunnard (Liz) Anderson of 303 Fourth Avenue East. She got a total of 4,839 for her figure.

The manager of the Ellis office here—Karl Lundstrom—would like Mrs. Anderson to give him lots of notice before she goes. He wants to make sure she won't be disappointed.

While she didn't know until the morning who won first prize, it just happens that Roy Webber played basketball for Gunnard's team... Mrs. Anderson said she knew all but eight of the Kinsmen and just tried to figure the average at around 175 pounds.

Tickets for the first three winners can be picked up at The Daily News office.

Consolation prize winners—there were 13 of them—get five free taxi trips. Taxi tickets will be mailed to the following:

- Mrs. David L. Hewer, 326 Biggar Place; R. Shearer, 1063 Seventh Ave. East; Mrs. Robert McKay, Jr., 1010 First Ave. West; Edith V. Eby, 630 Fifth Ave. East; Mrs. A. Holbrook, 764 Alfred St.; Mrs. Betty Negraiff, 510 Seventh Ave. West; Mrs. F. H. Hood, No. 4, Waldron Apts.; Evelyn Antilla, No. 1, Metropole Hall, Third Ave. West; Miss Violet Manojlovich, 736 West Fifth Ave.; Mrs. Mary Long, 1222 Beach Place; Mrs. Jack Lindsay, 802 Borden St.; Mrs. A. Sandford, 339 Fifth Ave. West; Mrs. R. A. Johnson, 1421 Piggott Place.

The nearest star is about 250,000 times farther from the earth than the sun.

**Job's Daughters Leave Tonight To Take Part in Calgary Stampede**

The famous Job's Daughters' drill team enroute tonight on special cars for Calgary where they are due to give a display at the Calgary Stampede on July 6.

Enroute the team have been invited to exhibit their spectacular drill routines in Jasper, and are to be entertained during their brief visit by members of the Order of the Eastern Star.

The girls have a remarkable record: in 1949 they received first prize for military marching, and second prize for exhibition marching at Spokane, and repeated that performance in Long Beach, California in 1950. In 1951 they won three first prizes in major events for military, exhibition, and novelty marching at Richmond, Virginia.

The team is under the direction of drill master Alex Mitchell. Mrs. Laura Mitchell is the Bethel Guardian.

Girls in the team are: Drill captain, Margaret Giske; Carol Hill, Carol Elkins, Sharon Skinner, Georgina Mitchell, Sharon Williams, Judy Lloyd, Ann Eyoifson, Della Haig, Catherine Finlayson, Gail Redpath, Barbara Stalker, Pat Hill, Joan Bennett, Alice Nickerson, Linden Nicker-

son, Barbara Doumont, Drue, chell, Pat Lemon, Ethel Moore-Patrick, Shirra Halliday, Elizabeth Jones, June Henry, Sue MacArthur, Margit MacArthur, Elaine Christianson, Lois Peggy Ann Dominato, Grace Good, Myrna Knutson, Pat Mit-

**PERSONALS**

City Treasurer H. M. Foote and Mrs. Foote are leaving tonight on the Prince Rupert. Mrs. Foote's sister, Miss M. S. Sharpe, said today that they plan to spend three weeks vacation in Vancouver and Victoria.

The parents of Mrs. Gordon Calderwood, Mr. and Mrs. Larson, arrived last night on the Rupert to spend their summer vacation with their son-in-law and daughter.

Heather, daughter of Mr. and Mrs. Lorne Stevens, enroute last night for Armstrong where she will spend a month with her grandmother.

Mr. D. M. Whitbeck, president of the Buffalo General Laundries, and his wife were touring the city this morning. They are making the round trip from Vancouver to Ketchikan.

Mr. Albert Ericson, former resident of Prince Rupert, has been visiting Mr. and Mrs. A. Haig for the past two days. He is due to leave by air today for Vancouver.

Sgt. and Mrs. Stewart returned yesterday on the Prince Rupert from a short vacation in Vancouver.

Mother of Mr. George Dibb, Mrs. A. Dibb, was also aboard the Rupert. She spent one night here with Mr. and Mrs. Dibb and tonight enroute for Calgary where she plans to spend eight days with Job's Daughters' drill team at the Calgary Stampede.

Sister of Mrs. J. H. Kirnbauer, Mrs. S. W. Reaney, from Regina, Saskatchewan, leaves tonight on the Prince Rupert with her husband.

They have spent a week of their vacation with Mr. and Mrs. Kirnbauer and family who have conducted their guests on extensive sightseeing tours all over the town.

They visited the museum, the fish plants, and today, before they leave, they will tour the Columbia Cellulose plant. They plan to continue their holiday in Vancouver before returning to Regina.

**Wild Ride**  
ST. JOHN'S Nfld. (CP) — A 12-year-old boy experimented with the controls of a steamroller while the operator was absent. The driver heard the big machine roll, sprinted furiously, and grabbed the youth before the roller toppled over a bank.

**Famed Ballet**  
LONDON (CP) — For the third time in four years the Sadler's Wells Ballet will undertake a tour of the United States and Canada, opening at New York's Metropolitan Opera House Sept. 13. After four weeks in New York they will visit Toronto, Montreal, Winnipeg and Vancouver.

**Useful Weed**

CAPTOWN (CP) — The first seaweed industry in South Africa for manufacture of cattle feed and fertilizer has begun at Hermanus. The unit, first a series, followed a survey by a British biochemist, Dr. R. F. Milton, who said he was satisfied South African seaweed offers tremendous industrial scope.

**P-TA Seeks Library Books**

VANCOUVER (CP) — Parent-Teacher Association of Maple Ridge has launched a province-wide drive to replace the library books lost a week ago in the \$500,000 fire that destroyed the district's junior-senior high school. Arrangements are under way

to have the provincial office of the Parent-Teacher Federation accept the book donations.
