TENDERS

TENDERS in sealed envelopes clearly marked "Tenders for Roller Rink Floor" dated not later than 14th March, 1952, will be received by the undersigned for the laying of a one and one sixteenth No. 1 maple floor on a 4500 square foot area in the pattern customary for roller rinks. The floor is to be smooth sanded and necessary lines painted for three badminton courts, and finished with three (3) coats of Penetrim, and is to be laid on top of present fir floor. Tenders will be opened on 18th March by a special committee appointed by the Executive of the Civic Centre Association. Tenders should state clearly the approximate number of days after notification that the work could commence and length of time necessary to complete the contract. Further information available on application.
The lowest or any tender not necessarily accepted.

Miniature General Election In Canada Before June Ends

By D'ARCY O'DONNELL
Canadian Press Staff Writer

OTTAWA (CP)—A miniature general election may be held in late spring or early summer. Five of the 262 House of Commons seats now vacant, and a sixth is a possibility. The government may decide to fill all the vacancies at the same time, through by-elections in late May or mid-June.

Present vacancies are in the federal constituencies of Victoria-Carleton, N.B.; Outremont-St. Jean, Que.; Brome-Missisquoi, Que.; Waterloo North, Ont., and the constituency of Ontario, around Oshawa, Ont.

Another possible vacancy is the constituency of Gloucester, N.B. Clovis T. Richard, Liberal member for the riding, is being mentioned for a post on the New Brunswick bench.

Present standings in the Commons: Lib. 183; P.C. 45; CCF 13; Social Credit 10; Ind. 4; Ind.-L. 2; vacant 5. Total 262.

The government has until April 10 to fix a date for a by-election in Ontario constituency, vacant by resignation last October of Walter Thomson, who left the federal house to lead the Liberal party in the Ontario provincial election. There is a statutory requirement that a by-election date must be decided within six months after a seat becomes vacant.

The government, however, could announce in April that the Ontario riding by-election would be held in May or June, along with others needed to fill vacancies.

OLD LIBERAL SEAT

The Liberals have held Ontario constituency almost continuously since it was established in 1924. Liberal members were returned from 1926 until 1943 when Arthur Williams, CCF candidate, won the seat in a by-election. Mr. Thomson regained the seat for the Liberals in the 1949 general election.

In that election, Mr. Thomson polled 13,412 votes compared with 9803 for F. N. McCallum of the Progressive Conservatives and 9344 for Mr. Williams.

Waterloo North became vacant in January when the Liberal member for the riding—L. O. Brethaupt—was appointed lieutenant-governor of Ontario.

In the 1949 election, Mr. Brethaupt had 11,601 votes; H. J. Graber, Progressive Conservative, 10,105; and G. Milling, CCF, 625.

In general elections and by-elections since Confederation, Waterloo North has returned a Liberal 18 times and a Conservative six times.

QUEBEC VACANCIES

In Quebec, the Outremont-St. Jean vacancy was caused by the recent appointment of Hon. Edouard Kinfret to the Quebec Court of Queen's Bench.

The seat, established in the redistribution of 1947, gave Mr. Rinfret 16,215 votes in the last general election. His sole opponent, A. Belanger of the Progressive Conservatives, obtained 5030.

Brome-Missisquoi, another consistently Liberal seat, was made vacant through the recent death of Henri Gosselin, who carried the seat for the Liberals in the last election with 8931 votes. V. Leonard, Progressive Conservative, obtained 6266; G. A. Chevalier of L'Union des Electeurs.

Gannet is Rare Bird

NEW YORK—Claude Melancon, assistant director of public relations, Canadian National Railways, on behalf of the Quebec Zoological Gardens, of which he is a director, last night presented a gannet to George F. Scott, curator of birds at the New York Zoo.

Before the presentation, Mr. Melancon and the gannet appeared on a half-hour television program for the Audubon Society. Mr. Melancon described the gannet's own habits and showed CNR films on Bonaventure Island.

It is believed that the gannet, 36 inches long and with a wingspread of 72 inches, will be the only one in captivity in United States. The birds nest chiefly on Bonaventure Island and other Gaspe and Newfoundland points. Though they head south in winter, they live at sea, some 200 miles off the southeast coast of the United States and never touch American soil. The gannet is being presented to the Bronx zoo with the permission of Hon. Camille Pouliot, minister of fish and game for Quebec.
