

Storemen Edge Kinsmen With Sixth Inning Rally

Dowd 6-5 to Kinsmen in the bottom half of the sixth, Super Valu staged a two-run rally that saw them defeat service clubbers 7-6 in a thrilling Little League game at Algoma Park last night.

A single by Ray Windle with one on gave the storemen their victory and sent excited fans home talking to themselves.

The last stretch drive broke up a pitchers duel between Kinsmen's Bill Foster and Super Valu's Gerry Jensen. Both lads went the whole route with Jensen striking out eight batters, giving up six hits and walking four. Foster fanned seven, allowed seven hits and also gave up four free passes.

Kinsmen jumped into the lead early in the game with Dockendorf, second man up collecting a two-bagger and stealing third. A single by Adams brought him home and a passed ball, a steal and a single by Doug Turner scored Adams.

Foster held Super Valu scoreless in the bottom of the first and Jensen settled down and took care of the Kinsmen in the top of the second.

CLEVER STEALING
Clever stealing by Jim Russell after he'd been walked by Foster saw the storemen score a singleton in the bottom of the second and Jensen again held the Kinsmen scoreless in the top of the third, striking out three men after giving up a free pass.

A single by Jensen started off a rally in the bottom of the third for Super Valu and after he'd retired two men Foster gave up a walk. Two passed balls scored Jensen and a double by

Russell brought home Billy Main to put the storemen in the lead 3-2.

Jensen retired Kinsmen one-two-three in both the fourth and fifth innings and in their half of the fifth Super Valu added two more runs when Russell homered to bring home Ray Windle who had got on with a walk. Russell's inside the park circuit clout was judged by many as the furthest hit ball of this year's Little League play.

Tension was too great for the storemen in the top of the sixth with victory almost in their grasp. Jensen walked Foster, who went to second on a passed ball and to third when Turner grounded out. Olson singled and Foster came home on the play. Armstrong got a walk from interference by the catcher and advanced to second when the third baseman bobbled Voagan's drive, and Olson came in. Armstrong went to third, and Voagan to second on Ken Murray's single and Armstrong came home after Tommy Holder had fled out to third. An error by the shortstop saw Voagan score and Adams fled out to end the inning that put the Kinsmen ahead 6-5.

Not deterred, Super Valu fought back. Gary Calderoni, subbing for Matthews, started the rally with a single. Foster bore down and struck out Morrison. Calderoni stole home and Jensen doubled to put the winning run on base. He went to third as Bobby Mintenko grounded out and Ray Windle, with a three and two count on him, blasted out the single to end the game.

Terrace-G & A Game May 23 Thrown Out by League Bosses

A decision in favor of the Terrace club was registered last night at a meeting of the Prince Rupert and District Senior Baseball league executive over the protested game played between Terrace and Gordon & Anderson May 23.

Terrace manager Neil McKerracher lodged the protest over G & A's Bill Sundberg stepping over the plate to bunt. Runners advanced on the bunt and kept their bases. The meeting ruled the ball dead and that players should have been called back.

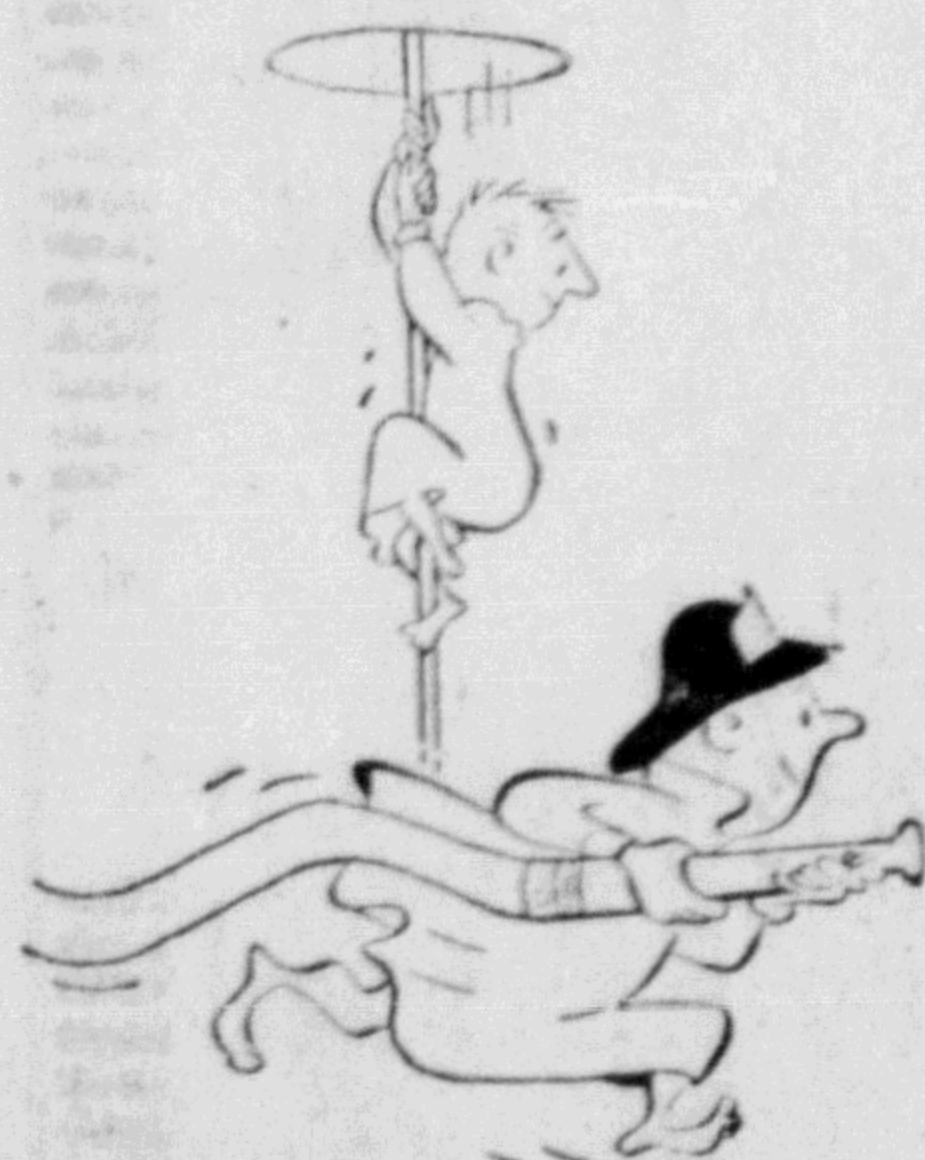

The game will be replayed, should its outcome make any difference to the team standings later in the schedule.

The meeting approved a ruling that teams may draw on the Pony League for their reserves should any club find itself unable to field a team at any time.

Tentative arrangements to get in touch with Ketchikan, Alaska, and Smithers for out of town tourneys were made. Secretary

"Nightgowns" for FIRE-FIGHTERS

WIDE-AWAKE FIRE departments may soon be turned out in a new heat-resistant suit built on the general lines of the old-fashioned nightgown. Made of reflective aluminum foil, this outfit gives the hook-and-ladder lads a lot more protection from extreme heat.

Canadian farmers have the same idea when they build their barns of aluminum sheet. Not only is aluminum fire-resistant but it also keeps barns cooler in summer because it reflects the heat of the sun; and in winter reflects back into the barn heat that would otherwise escape. In fact you might say that in the products of Canada's aluminum industry are reflected countless aids to better living—on the farm, in the city, in your own home. Aluminum Company of Canada, Ltd. FARM TEAMS TO BE TOPIC OF LITTLE LEAGUE MEETING

A Little League baseball meeting has been called for tomorrow night at the Civic Centre immediately following the league game at Algoma Park, to organize supervision for the league's farm teams.

League officials are inviting all parents, shift workers, RCMP, firemen and all interested persons to the meeting, as well as team coaches, managers and league umpires.

There will also be a full discussion of interpretation of Little League playing rules.

The executive reports that there is an urgent need for scorekeepers for both the senior and farm teams and candidates for the job are asked to give their names to the Little League executive.

Baseball Tonight

For their second meeting in two days, Esquires Men's Wear manager Benny Windle will send righthander Bill Donaldson against the Commercial Hotel nine tonight at Roosevelt Park.

The Hotelmen will have righthander Gordie Cameron on the mound.

Tuesday the clothiers lost a 12-7 decision to Commercial.

Motors, Pulp Miller Elevens End Up With 2-2 Deadlock

General Motors and Pulp Workers Local 708 battled to a 2-2 tie last night in the second game of the newly organized four team district league at Roosevelt Park.

Neither team scored in the first half although the edge in play was held by the Motors eleven who kept the ball down in the 708 end for most of the time.

General Motors broke the scoreless tie at the three quarter mark when a ball kicked out by union goalie G. Terling rebounded between the posts. In the melee around the goal no definite credit was given to any player.

The Motors eleven made it 2-0 on a clean cut goal by right back Jim Georgeson.

As time ran out, the Local 708 squad took the initiative and on a scramble in front of the Motors' goal which drew out goalie Fran Neill, centre forward J. Van Ierland got the ball away

for their first goal. With less than five minutes remaining, Local 708 outside left took a clean pass from outside right C. Verhaar and headed the ball through the posts to tie the score.

Lineups:
Local 708—G. Terling, g; E. Perkins, lb; S. Maron, rb; C. Myer, lh; F. Boltong, ch; T. Foure, rh; W. Eckert, ol; C. Mills, il; J. Van Ierland, cf; D. Rowse, ir; C. Verhaar, or.

Plus THESE EXTRA ADVANTAGES!

1. TREATED WITH SPECIAL TONER
SOLO-COAT White is toned to give a warm radiance, mellow reflection and depth that puts ordinary glaring white house paints twenty years behind the times.
2. ALKYD FORTIFIED
Solo-Coat White contains Alkyd Resin, the ingredient that gives outstanding wear-and-water resistance. Alkyd actually protects your investment in SOLO-COAT White and it makes SOLO-COAT White a snap to put on—so smooth, so free of brush marks, laps, runs, sags.
3. LONGER LIFE
SOLO-COAT White gives extraordinary durability. Yes, one coat of SOLO-COAT White is the equal of other prescribed exterior painting methods that call for 1 coat of undercoater and one or more coats of the finish. SOLO-COAT White goes on easily—a beautiful glowing white that stays white for year after year.
4. SELF CLEANSING
SOLO-COAT White actually welcomes dirty weather because each rain fall leaves it cleaner and fresher looking. Instead of becoming imbedded in the paint film, dirt and dust are simply washed away.
