The tanned, but tired Premier reviewed achievements of Liberal governments in B.C. from Pacific Fort St. John No. 6, two 1916 until today and stressed that a voluntary hospital insurance plan is useless.

His address before about 300 persons in the Civic Centre followed a brief speech on local dire straights and asked the issues and hospital insurance by Jack McRae, Liberal candito keep their doors open." date for Prince Rupert in the forthcoming election.

It was the first public appearance of Mr. McRae since he was seriously injured at Kemano, May 10. He was brought to the meeting in a wheel-chair to the cheers of the audience.

Premier Johnson, accompanied by his wife and Percy Richards, his executive assistant, arrived here by private plane at noon Saturday from Stewart.

Because of bad flying weather yesterday, the party was driven to Terrace, where he was welcomed by Lands Minister E. T. Kenney, the village commissioner and members of the Liberal party. Enroute, the Premier made a tour of the Columbia Cellulose plant. and visited Miller Bay Hospital, where he and Mrs. Johnson talked with several pa-Justice Minister Garson today tients and admired their
