Oh Goody!... Mom's Making Jam Again!

Jams and Jellies made with Certo turn out RIGHT

They're delicious ... sparkling. Made in one-third the time. Cost less per glass.

WHY CERTO RECIPES ARE SO QUICK-SO EASY-SO FREE FROM GUESSWORK

WHAT CERTO IS - Certo is fruit pectin -the natural jellying substance in fruitextracted and refined to help you make delicious tasting jams and jellies quicker and more easily. ONE-MINUTE BOIL SAVES TIME,

WORK - With Certo you can actually make a whole batch in 15 minutes from the time your fruit is ready. It turns jam and jelly making from a chore into a pleasant task.

A Product of General Foods

Certo jams and jellies need only a ONE-MINUTE full, rolling boil. No long, tedious boiling and stirring over a hot stove. It's remarkably easy.

50% MORE JAM OR JELLY - Since there is no long "boiling down" with Certo, hardly any precious juice wastes away in steam. So you get up to 50% more yield from your fruit. That brings costs way down.

FRESH-FRUIT TASTE AND COLOR - And the boil is so short it does not spoil the freshfruit taste or dull the natural color. They stay right in your jam and jelly.

SURE RESULTS - NO GUESSWORK -- Best of all - Certo ends guesswork! You get a separate kitchen-tested recipe for each kind of fruit. Follow the simple directions carefully and your success is sure.
